

Static Exhibits

When many think of county fair, they think of animals and livestock. At the Marion County Fair, there were 1,348 static exhibits on display in the Dyer-Hudson building throughout the Fair in July. If you missed Dyer-Hudson, you missed seeing some really beautiful, fun, and educational exhibits, as well as the Pinewood Derby, buckets of flowers silent auction, Pie Contest (and free samples), baby contests, animal scavenger hunt, quilting displays and demonstrations, and 4-H store, to name a few. You also missed the coolest place on the fairgrounds (it's air conditioned). The talent, imagination, and work involved in the static exhibits are amazing, and over \$3,500 was paid out in premium money this year.

This year, Expressive Arts had the most exhibits. This includes 359 photography, 191 original visual arts, and 52 crafts, kits, & patterns.

The Science, Mechanics, & Engineering department includes aerospace, automotive, electric/electronics, technology, small engines, tractor, and welding. There were 15 entries in these departments, as well as 46 woodworking exhibits.

Ag & Natural Resources includes animal science, conservation, crop production, entomology, forestry, horticulture, plant science, veterinary science, and wildlife & fish. There were 109 horticulture exhibits, many of which were the buckets of flowers. These buckets are sold via silent auction that runs from Friday morning to late Tuesday afternoon in Dyer-Hudson. The money from this sale goes to the Marion County Council to further the 4-H program. There were 27 other Ag & Natural Resources exhibits.

Personal Development includes camping, citizenship, leadership, music, safety, and self-determined, which is anything that fits this area but is not specifically named. There were 97 exhibits in this area.

The one most familiar to many people is the area of Family & Consumer Sciences. This includes child development, clothing, consumer management, food & nutrition, and home improvement. There were 145 clothing exhibits which includes "sewing", 78 exhibits in food & nutrition, 118 home improvement, and 11 in the other departments, including societal issues and family heritage. Family Heritage is an exhibit by one or more 4-H'ers WITH one or more adults and expects to be a great team-building experience.

Kudos to all those who brought their static exhibits to the Marion County Fair this year!
