ACCOMODATING YOUTH WITH SPECIAL NEEDS

Youth with special needs may require help in order to be fully included in the variety of programs available. Individuals who need modifications should contact the Marion County Extension Office at least two weeks prior to the fair. A plan will be developed to meet the needs of the individual.

GENERAL RULES

1. **All exhibitors are responsible for reading and understanding fair department rules before making entries.**
2. Exhibitors should wear appropriate dress while in the show ring. This consists of a white blouse or T-shirt (those having a 4-H or FFA emblem are encouraged), dark blue jeans, and protective footwear (no sandals or sneakers). Horse and Dairy Show attire is listed with those departments.
3. All exhibitors are expected to be cooperative, courteous, and good 4-H representatives, both in the ring and in the barns. They are also expected to treat their animals in a humane manner. Any action to the contrary may result in the disqualification of the exhibitor, exhibit, prizes, premiums, and/or participation in the event.
4. **All exhibit entries must be made with the Extension Service by 4:00 p.m. July 1, 2009.**
5. Any situation relative to 4-H Club and FFA exhibits not covered in the rules or in case of conflict or misunderstanding, final authority for interpretation rests with a board made up of a member of the fair committee, member of the county extension youth committee, one FFA advisor, one county extension staff member, and a superintendent of the division in which the dispute arises.
6. All Marion County 4-H and FFA members who have completed grades 4-12 are eligible to exhibit providing member cared for project at least 75% of the time. A member becomes ineligible to exhibit upon completion of the calendar year of high school graduation or equivalent. **Any time "grade" is stated in connection with a class, it means "last grade completed".**
7. The following statement is taken from a Statement on Relationship between Iowa State University Extension Service and Iowa Public School Vocation Agriculture Program August 28, 1968, and will apply to Marion County: "Eligible youth may be members of either or both the 4-H and FFA. Separate projects shall be planned and conducted by the members of each group. The persons supervising the work are encouraged to plan projects and programs that will supplement each other in the broad development of the individual."

8. In case of sickness, an exhibitor may select a Marion County 4-H/FFA member of eligible age to show his/her exhibit. **Substitution must be approved by the superintendent.** Same applies to exhibitors called into the armed forces. All showmanship exhibitors must show their own animals.
9. Any artificial means of removing or remedying physical defects, color, or conformation in exhibiting animals such as lifting or filling under the skin (no false tail heads) will be considered as fraudulent deception. All animals giving evidence of such treatment will be barred from exhibition at the Marion County Fair. The decision of the official fair veterinarian, appointed by the Fair Board, is final.
10. Exhibitors wishing to withdraw any animal on account of sickness must have approval of licensed veterinarian approved by Fair Board.
11. No animal will be in place before 1:00 p.m. Friday, or taken from its pen/stall before Noon on Thursday of fair week without receiving specific permission from the superintendent(s) before hand.. ANY EXHIBITOR NOT COMPLYING WITH THIS WILL RECEIVE NO PREMIUM AND THE EXHIBITOR MAY BE INELIGIBLE TO SHOW THE FOLLOWING YEAR.
12. **ALL EXHIBITORS SHALL REVIEW FAIR PROGRAM SCHEDULE FOR ARRIVAL AND CHECK-IN TIMES.**
13. Any flagrant abuse of over-entries can cause forfeiting of right to show.
14. In cases where there are few entries within a class, livestock judges reserve the right to make placings in accordance with the merit of the animal or animals concerned.
15. Numbers will be issued to each exhibitor. **Number is to be worn by exhibitor** for ease of identification and uniform appearance.
16. Any concerns or complaints over a project to be exhibited should be addressed to the Marion County Extension Office by June 30.
17. Sawdust bedding is provided by the County Fair Association to all barns. Used bedding must be disposed of in designated containers prior to leaving the grounds.
18. **All fans must have protective screens and safe wiring.**

LIVESTOCK SALE

1. All eligible market livestock (swine, beef, sheep, and meat goats) will be entered and sold in the Livestock Sale unless you notify the Extension Office BY 4:30 P.M. Tuesday of Fair Week. No sale list changes will be made after the deadline. All exhibitors are responsible for their animals' care before, during, and after the Livestock Sale until safely loaded on the buyer's truck.
2. All swine not going to slaughter are subject to rule #6 of Health Requirements.
3. Please be helpful and cooperate with your Department Superintendents, Sale Officials, and Livestock Buyers. Sale officials may post additional requirements. As a seller of livestock you should be prepared to bring your animals promptly to the Sale Ring, present them for auction, and return them to their pen/stall or other location designated by the superintendents.
4. If selling more than one beef, notify office by 4:30 p.m. Tuesday which tag number is selling first.
5. **Sale order for 2009 is Beef, Sheep & Goats, Swine**

HEALTH REQUIREMENTS FOR EXHIBITION OF LIVESTOCK, POULTRY, AND BIRDS AT COUNTY 4-H/FFA FAIRS

See additional rules in department rules

1. ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINK EYE, DRAINING ABSCESES OR ANY OTHER CONTAGIOUS OR INFECTIOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.
2. No individual Certificate of Veterinary Inspection will be required on animals or poultry exhibited at County 4-H/FFA FAIR, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. All animals moving from out of state into an Iowa county 4H/FFA fair must meet Iowa Animal and Livestock Importation requirements. Each show must have an official veterinarian.
3. Quarantined animals or animals from quarantined herds cannot be exhibited.
4. Swine exhibitors at county fairs that do not require a Certificate of Veterinary Inspection, must sign and present an owner affidavit that the animals being exhibited did not originate from a quarantined herd and to the best of their knowledge, swine dysentery has not been in evidence in their herd for the past 12 months.
5. All swine exhibited must be accompanied by a record of a negative pseudorabies test, the test having been performed within 30 days prior to show, for swine originating from a Stage 4 or lower status county, subject to 64.35(2). **No pseudorabies testing is required for swine originating from a Stage 5 county (Iowa is Stage 5).**
6. Swine returning from an exhibition to its home herd or moved to a purchaser's herd, following an exhibition or consignment sale, must be isolated and retested negative for pseudorabies not less than 30 days and not more than 60 days after reaching the swine's destination. (Code of Iowa 166D.13(2))
7. **EXCEPTIONS:**
 - A. No testing is required for swine at an exhibition that involves only market classes, provided all swine are consigned directly to a slaughter establishment from the exhibition. The site that the swine originate from must have a current monitored status in order for the swine to be transported to the fairgrounds (statistical testing completed within the last twelve months or originate from a site in Stage III or higher area). Swine leaving the exhibition from a market class

must be consigned and moved direct to a slaughtering establishment.

- B. If counties have a split show and the breeding animals are exhibited and returned home before the market classes arrive, it will not be necessary to have a test record on the animals showing in the market classes; however, market class animals must have a current monitored status in order to be transported to the fairgrounds.
8. **SHEEP AND GOATS** - All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag. All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG).
9. **POULTRY AND BIRDS** - All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. However, "Market Classes" of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. "Market Classes" of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot high solid partition.
10. **DOGS AND CATS** - All dogs and cats exhibited must have a current rabies vaccination certificate.
11. **FARM DEER - Accredited veterinarians must be approved to administer tuberculosis tests on Cervidae.** "Cervidae" means all animals belonging to the cervidae family, and "CWD susceptible cervidae" means whitetail deer, blacktail deer, mule deer, red deer, and elk. Cervidae may be exhibited without other testing requirements when accompanied by a
12. Certificate of Veterinary Inspection that lists individual official identification. All Cervidae must have been part of the herd of origin for at least one year or were natural additions, or must have originated from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. Cervidae originating from a herd with a diagnosis, signs, epidemiological evidence, or area under quarantine for chronic wasting disease may not be exhibited. The following statement must appear on the Certificate of Veterinary Inspection:
- A. CWD susceptible cervidae: "All Cervidae on this certificate originate from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. There has been no

diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year.”

- B. Other cervidae - “All Cervidae on this certificate have been part of the herd of origin for at least one year or were natural additions to this herd. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year.”

13. THE DECISION OF THE OFFICIAL SHOW
VETERINARIAN WILL BE FINAL.

Department 50 - Breeding Beef

Breeding Beef Rules

1. All exhibitors will check-in at the scales in the Cattle Barn (see Fair Program Schedule for time) to verify birth date and tattoos, and have pedigree papers in hand. Exhibitors must be available with papers in hand to be eligible to show.
2. All Breeding Heifers (including Commercial/Crossbred heifers) must have a legible tattoo.
3. Exhibitors will display the heifer birth date and the exhibitor number while showing.
4. Crossbred heifers will show in a Commercial Class. All heifers must be identified by a legible tattoo and

birthday corresponding to the Livestock Identification Form, and be born between January 1 and December 31, 2008, inclusive. Any animal unable to meet the above requirements will not be allowed to enter the show ring.

5. All purebred heifers must be registered and all breed requirements will follow the IJBBA classifications. Registration papers must be in the 4-H'ers name OR show a logical family relationship. Any animal unable to meet the above requirements will not be allowed to enter the show ring.
6. All heifers will be judged from the standpoint of breed characteristics: type, quality, and conformation with future usefulness as a breeding cow consideration.
7. There will be a limit of 3 heifers per exhibitor.
8. Superintendents have the discretion to combine or divide heifer classes.
9. Three registered heifers of a recognized IJBBA breed are required to add a class.
10. No floor-standing butt fans allowed in barn exhibit area. All fans must have a protective screen and safe wiring.

These rabbits judged on which comes closest to standard of perfection. Point total if needed.

Premiums: First \$4.50, Second \$3.00, third and all others worthy \$1.50

Rabbit Rules

1. **Rabbit exhibitors must check in with superintendents to be eligible to show. Check-in time is 8:30-9:30 Saturday morning.**
2. All rabbits must be free from communicable disease and pass health standards. Any rabbit in an unhealthy or unthrifty condition may be refused pen room. In case of arbitration, decision of appointed veterinarian shall be final.
3. All rabbits must be **permanently** earmarked by **tattoo (no ink pens)** in rabbit's left ear so there will be no question as to owner of the rabbits. Standard of perfection available in 4-H Rabbit Guide; more details on project available from project leader and Extension Office. If problem arises, decision of superintendent and Extension Staff is final.
4. All rabbits must be in exhibitor's possession and tattooed (except fryers) by May 1.
5. An exhibitor is limited to six rabbits, except fryers/meat pen. Each exhibitor may enter one meat pen and three single fryers. Entries must be within the age and weight limits for the class.
6. Superintendent may adjust classes according to entry numbers.
7. Top two market pens may be sold at livestock auction (sign-up deadline is 4:30 p.m. Tuesday).
8. Rabbits will be judged on how close they come to standard of perfection. All varieties within a breed will be judged in the same class. Proof for Breed, such as papers, pedigrees, records, etc. may be requested. All rabbit entries must be listed with breed of rabbit on entry. Breed types are listed in 4-H Rabbit Book, ARBA Rabbit Guide, etc. If in doubt, talk to superintendents.

Rabbit Classes

COMMERCIAL

1. The Market Class is judged first so rabbits will not lose weight due to stress.
2. Meat pen will consist of three rabbits of the same breed and variety. Age limit not over ten weeks and weight limit not over five pounds each.
3. Each exhibitor may enter one meat pen and three single fryers.

Sheep Rules

1. **All commercial ewe lambs must be weighed-in** and tagged at the official weigh-in in May. Commercial ewe lamb and market lamb classes will be divided and shown by weight.
2. No drenching or painting of lambs allowed. Violators are subject to disqualification.
3. Market lambs weighing **less than 80 pounds are not eligible to show or sell in the sale.**
4. All sheep in place by 8:00 a.m. Saturday. Members must be present at their pen, to check in their sheep. Breeding Sheep Check In (Purebred and Commercial) at 8:00 a.m. Saturday (bring registration papers). Market lamb Check-In and Weigh-In will begin at 8:30 a.m. Saturday.
5. **All sexually intact sheep (ewes & ewe lambs) exhibited at County Fair, must have an individual Scrapie Flock of Origin identification tag.**
6. **Sheep should be clean for check-in and will be observed for over all health. Sheep exhibiting signs of club lamb fungus and/or other contagious disease(s) will be disqualified and ineligible for show and need to be removed from the premises.**
7. We strongly recommend the use of wood shavings/sawdust for bedding of pens.
8. Substitute exhibitors (helpers) must be Marion County 4-H or FFA members of eligible age (see #6 of General Rules).
9. Members should not bring prolapsed animals to the fair. Animals exhibiting evidence of prolapse while on display at the fair may be subject to disqualification and market lambs may not be eligible for sale in the auction. If your animal is exhibiting signs of prolapse, consult your veterinarian.

Department 62 - Sheep, Breeding
Breeding Sheep Rules

1. All Yearling ewes must have been born after January 1, 2008. All ewe lambs must have been born after January 1, 2009.
2. 4-H'ers/FFA members may have the assistance of a 4-H'er/FFA member who meets fair age eligibility requirements in the yearling ewe class. The assistant's help will be limited to helping set hind legs.
3. Breeding lambs are not eligible to show in market lamb classes.
4. In purebred classes, any name will be accepted as the owner on registration papers as long as evidence can be shown that the exhibitor holds ownership or some degree of ownership in the animal and the exhibitor has logical relationship to the name of the owner of the registration paper.
5. If not registered, sheep will be shown in the Commercial class.
6. Ewe lambs or yearling ewes shown in a breeding class are **NOT eligible for livestock sale at County Fair.**
7. Superintendents may also reassign breeding sheep to a different class, based on the entry's eligibility. For example, speckled faced ewe classes are designed for entries showing evidence of cross breeding.

Breeding Sheep Classes

No more than two entries may be shown in any one class by the same exhibitor. Based on the number of entries, breeding sheep classes may be broken at the discretion of sheep superintendents.

Market Lamb Rules

1. All lambs must have been born after January 1, 2009 and weighed in at official weigh-in in May.
2. A Speckle-Face Market Individual class may be determined at weigh-in. Speckle-face lambs must have speckles on TWO of three areas: face, ears, and legs. Decision by superintendents is final.
3. All lambs should weigh 90 lbs. or more. **Lambs weighing less than 80 lbs. (85 in 2010) are not eligible to show or sell.**
4. An exhibitor may enter no more than six (6) market lambs (ewes and wethers).
5. No more than two entries may be shown in any one class by the same exhibitor.
6. An exhibitor may show only 1 pen-of-three.
7. Individuals and pens-of-three will be divided by weight into classes at the discretion of the Superintendents.
8. All lambs shown in the market lamb classes must be slick sheared within 1 week or less of show.
9. Exhibitors are expected to care for their lambs in an acceptable manner. No icing of lambs allowed. Any abusive care, including slapping or excessive modification of lambs will be grounds for disqualification at the discretion of show officials. All lambs must have four feet on the floor in the show ring at all times. Exhibitors will receive one warning if they are found lifting or slapping lambs. Second offenses will result in exhibitor disqualification from the show.
10. **Sheep will be observed at weigh-in and entry check-in for over all health. Therefore, no blankets or other coverings will be permitted on lambs at weigh-in. Sheep exhibiting signs of club lamb fungus and/or**

other contagious disease(s) will be disqualified and ineligible for show and need to be removed from the premises.

11. To be eligible to show, Market lambs must not have evidence of intact testicles at fair time.

DEPARTMENT 65 - CLUB HERDSMANSHIP

Sponsored by Marion County Bankers Association:

Iowa State Savings Bank, State Bank of Bussey, Wells Fargo, Marion County Bank, U.S. Bank, Leighton State Bank, Horizon Federal Bank, MidWestOne Bank, Pleasantville State Bank.

..... Good HERDSMANSHIP helps make the Marion County Fair a success. We suggest all club members get involved and help each other keep their areas clean, orderly, and attractive. Attractive barns encourage visitors to walk through and view the livestock on display. Areas will be judged daily. All exhibits will be scored. Results will be posted in the Show Arena each evening. Following the fair, evaluation sheets will be mailed to each club. The information should help with future Herdsmanship. Herdsmanship duties are the responsibility of the exhibitors with help as needed. Exhibitors are also expected to be courteous and follow general fair rules. Good attitudes also have a bearing on the score.

Special recognition is offered to the clubs or chapters making the best showing during the full period of the Marion County Fair. A Herdsmanship **winner will be chosen in each species/barn** and also an **overall winner** (club/chapter must have exhibits in more than half of the barns to be eligible) will be named. Judging will be based on a point system which includes the following:

1. Cleanliness of Pens and Storage Areas 25 points
 - a. Bedding adequate, dry, clean, and in place
 - b. Manure hauled out and deposited in proper place
 - c. Animals securely tied and/or penned
2. Appearance of Exhibits 25 points
 - a. Exhibits lined up in attractive manner
 - b. Hay & straw neat and orderly
 - c. Feed boxes, brooms, forks, scoops, etc. stored properly
4. Stall/Pen Decorations 25 points
 - a. Decorations clearly define an exhibitor's space
 - b. Herdsmanship Signs from previous winners displayed

- c. Stall cards readable from alley, neatly arranged, clean, and complete
- 5. Exhibitor's Contribution25
 - a. Exhibitor doing his/her own work
 - b. Friendly, polite, and courteous to others
 - c. Exhibitor present to oversee the general care of animals

Total 100 points

A committee will judge the club exhibits, in each barn daily. The winners will be posted and recognition given at the annual awards ceremony. **ALL STALLS MUST BE CLEANED BY 6:00 Thursday! This includes removal of ALL decorations and stall cards.**

Club Premiums: First \$25, Second \$20, Third \$15, Fourth \$10

DEPARTMENT 66 - LIVESTOCK JUDGING CONTEST

1. Open to any 4-H and/or FFA member, except members with college training. Also, an open adult division allows adults to participate.
2. There will be classes of livestock for numerical placing, and question classes.
3. Awards will be presented to the top individuals and top teams.
4. The top four 4-H individuals (has completed at least 9th grade and two years of club work) will make up the 4-H State Fair judging team.

CODE OF SHOW RING ETHICS

As developed by the INTERNATIONAL ASSOCIATION OF
FAIRS AND EXPOSITIONS

..... Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

..... All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

..... The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of Ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.

4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical

contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect. No person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
