

IOWA STATE UNIVERSITY

University Extension

Scott County

Criteria to consider for approval of service hours.

(For hours not falling under a pre approved committee/project).

A) Does it meet the mission of the ISU Scott County Extension Master Gardeners?

The purpose of this organization is to:

1. Provide home horticulture information and education to the citizens of Scott County consistent with Iowa State University recommendations; and

2. Increase members' knowledge of horticulture through educational opportunities.

B) Is it a one time or special project that may fall under one of the current committees?

C) It must provide some form of education to the participants. (Information, techniques, and etc.) It can not be Master Gardeners providing labor for a project.

D) Usually events at commercial businesses are discouraged and not approved because of, or the appearance of, a conflict of interest.
