INVOLVE EVERYONE!

When planning the club program, include EVERYONE! 4-H members feel important when they are included in planning their club meetings. Break into groups and have them decide parts of the meetings.

Include parents too! They may be more willing to help if they are included in the beginning with a specific role.

THE 4-H'S

Remember to include in each meeting something from each of the four H's.

Head: members making club decisions. **Heart:** community service project.

Hands: project workshops. **Health:** have a fun recreational activity and a nutritious snack.
