Join 4-H Today

To become an official 4-H member, an enrollment form needs to be filled out and you need to join a local 4-H club. The enrollment form provides general information for the Extension Office. Also, you will be asked to enroll or sign-up for project areas of interest. 4-H has over 95 project areas to choose from. By signing up for a project, you will have the opportunity to learn about the area. Upon request, appropriate literature can be provided to find activities and ideas for an exhibit at the County Fair. 4-H members and their families are responsible for the cost of materials needed to complete their project(s).

Part of your enrollment form is the **Membership Agreement.** This agreement MUST be followed to be eligible for the Audubon County Fair.

1) Complete an enrollment form.
2) Attend six (6) of your enrolled 4-H club business meetings.
   *Dog members must work with identified dog at six dog project meetings.
   *Horse members must work with their identified horse at three horse project meetings under the supervision of the horse superintendent and horse project leaders.
3) Give an education presentation, working exhibit, or share the fun at a club meeting.
4) Complete animal identification form by May 15.
5) Complete animal county fair entry form by July 15.
