

Who taught you to... build a shelf? train your dog? grow tomatoes? define your goals? efficiently run a meeting?

4-H Volunteers MAKE A DIFFERENCE!

In 4-H, youth learn through opportunities in which they master life challenges, cultivate independence with guidance from caring adults, gain a sense of belonging within a positive group, and share a spirit of generosity with others. 4-H volunteers are essential in providing and helping youth make the most of these learning opportunities.

Please join us in thanking these Louisa County residents for their service to our community as volunteer 4-H and Clover Kids leaders.
