

Don't Forget!

Design Elements & Art Principles are required for many Clothing, Visual Art and Home Improvement Classes.

Food & Nutrition: Drizzles, Glazes & Frostings are allowed as long as they are not made with raw eggs.

The use of alcoholic beverages in the preparation or production of 4-H Food Exhibits is **NOT** permitted.

Products that require refrigeration, ie: cream fillings, cream pies, meat, relish, cheese, eggs, custard, egg noodles, etc. are not allowed to be exhibited at the fair, due to the extreme heat and humidity of July weather.

Following judging, food exhibits will need to be turned over to the Teen Council Bake Sale. One piece of the food item stays on a plate in the club booth.
