*Clothing Projects*

In order to align the elements and principles of design more closely with information covered in the clothing curriculum, the following changes are effective for the 2008: "When application of design elements and art principles must be explained, the following guidelines shall be used:

- a. Members in grades 4-6 are responsible only for application of the design element line or color.
- b. Members in grades 7-8 are responsible for application of two design elements.
- c. Members in grades 9-12 are responsible only for application of at least one design element and at least one principle of design.

The sources I used for my project were (list books, magazines, people, projects you've seen in a store, craft shop etc.)
