

SHOWMANSHIP

RULES AND REGULATIONS

1. Anyone who wants to come back can do so--except a member can win only once in each division.
2. Showmanship awards may be won only one year in each division.
3. Junior Showmanship will be grades 4-6
Intermediate Showmanship will be grades 7-9
Senior Showmanship will be grades 10-12.
4. Winner's Showmanship – Any past Junior, Intermediate and Senior Showmanship winner still showing in respective species is eligible to enter. Current year winner is also eligible.

It is the Fair Board's intent that each child has an opportunity to show in a showmanship class at the county fair each year. To be eligible to show in the Winner's Showmanship class you need to have won either the Junior, Intermediate or Senior Showmanship.

Once they win their age group they can move to Winner's Showmanship until eligible for the next level. Example – if you win Junior Showmanship in Grade 5 you would be eligible for Winner's Showmanship that year and also while in Grade 6, then moving to Intermediate Showmanship in Grade 7. An exhibitor is not eligible for Winner's Showmanship until each level is won.

The only exhibitors eligible to show in two showmanship classes a year would be that year's Jr., Int. and/or Sr. Showman. Previous winners of the Winner's Showmanship are eligible to show each year in Winner's Showmanship or their appropriate next level until no longer eligible to show at the county fair.
