

When You Need to Recertify...

To find out when you need to recertify, check the mailing label for your certification number and expiration date. Then follow the directions for your expiration date in this brochure.

Example Label:

605712	12/31/06	85
Stevens, Richard L.		
412 Lakeside Dr.		
Ames, IA 50010		

- 605712 is the certification number.
- 1st digit of the number is the expiration year (example: 6 = 2006 expiration).
- Numeric 2nd digit (0) indicates test was taken for certification.
- If 2nd digit is alphabetic (6A5712), renewal occurred by attending Continuing Instruction Course (CIC) program.
- 12/31/06 is the expiration date.
- The number 85 is the county number.

To Recertify with 2006 Expiration...

If your certification expires December 31, 2006, **AND** you have attended CIC programs in **BOTH** 2004–2005 and 2005–2006, you have two options to renew:

- attend a CIC program between December 2006 and April 15, 2007, or
- retest.

To Recertify with 2007 Expiration...

If your certification expires December 31, 2007, and you have attended a CIC program for 2005–2006, you can attend a CIC program for 2006–2007 and 2007–2008, or retest when your certification expires.

To Recertify with 2008 Expiration...

If you wish to recertify by training and not by exam, you must attend a CIC session each year, starting this winter. Remember, you always have the option of taking the exam to recertify.

If you miss one year of CIC programs, Iowa law requires you to retest when your certification expires. The exam is given by the Iowa Department of Agriculture and Land Stewardship (IDALS). Several testing dates near you are listed within this brochure. If you score 70 percent or more and pay the \$15 fee, you will be certified for 3 years.

To find out your current certification status, call IDALS at (515) 281-4339.

Initial Certification

To become certified initially, you must take the exam offered by IDALS. A Study Guide (PAT 1) is available for purchase at your county extension office.

There is a \$15 training fee for attending ISU Extension educational CIC programs (including Private Continuing Instructional Courses). This fee partially replaces state support that was reallocated within the state government.

Questions

If you have questions on CIC programs, please contact: **Clarke County (641)342-3316**

Dates & Locations

Test Dates and Locations (Offered by IDALS)

Date	Time	Location

2006–2007 Private Pesticide Applicator Recertification

Dear Pesticide Applicator:

This brochure lists exam dates and private CIC programs that will be held in and around our county this winter. Feel free to attend any session that fits your schedule.

You do not need to preregister for CIC sessions in our county. However, some counties do require reregistration. If you plan to attend a session in another county, check with that county extension office to see what time you should arrive. Call ahead for any meeting that you plan to attend and confirm the date, time, and location of the meeting.

If you have any questions, feel free to contact me. Note that your Private Pesticide Applicator Certification number and the year your certification expires are on the mailing label. Bring this brochure with you.

Sincerely,

Glen Easter
 County Extension Education Director

... and justice for all

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) Many materials can be made available in alternative formats for ADA clients. To file a complaint of discrimination, write USDA, Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, SW, Washington, DC 20250-9410 or call (202) 720-5964.

Cooperative Extension Service, Iowa State University of Science and Technology, and the United States Department of Agriculture cooperating.
