

IOWA 4-H MEAT GOAT PROJECT

Regulations Pertaining to State and Interstate Shows

Age of Exhibitors

1. To be eligible for state or interstate shows including Iowa State Fair and Ak-Sar-Ben, a 4-H'er must have completed 5th grade prior to the event.
2. A 4-H'er becomes ineligible to exhibit beyond the county level upon completion of the calendar year of high school graduation. Note: In the event that a 4-H'er has dropped out of high school, the 4-H'er is eligible to exhibit livestock only through the calendar year that his/her class graduated.

Maximum

Exhibitors may validate a maximum of 10 meat goat animals for exhibit purposes at the Iowa State Fair.

Ownership

All animals must be owned by and identified to the individual 4-H'er. When registration papers are involved, the papers must either be in the 4-H'er's name or show a logical family relationship. Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.

Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner or if the owner refuses a bid or says, "No Sale."

Identification

All meat goat animals must be tagged with the official state 4-H ear tag, and either have a hair DNA sample taken or retinal images collected at a verification site by May 15. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.

Deadline

All meat goat animals must be in the possession of the 4-H'er and weighed at state established verification sites by May 15. Verification forms must be completed at the verification site.
