## Iowa 4-H Hall of Fame: Larry Anderson

Larry Anderson has a life-long passion for 4-H which began as a 4-Her showing dairy cattle. When one connects with Larry, you will soon catch his enthusiasm and belief that anything is possible. Under his leadership, the Palestine Peppy Pushers 4-H Club raised \$65,000 to build an outdoor amphitheatre in Huxley. Club fundraisers from selling firewood to holding pancake breakfasts and running concessions enabled the club to also support local fire departments, the Sheldahl Park, Slater pool and outdoor stage, the Kelly Sports Complex, and offer scholarships to Ballard graduates.

With Larry's encouragement and active support, the Story County 4-H Foundation Board reached for the stars....and have raised over \$150,000 since the board's formation in 2004. The board accepts grant applications for service projects four times a year. 4-H members have carried out 11 community service projects in the past 3 years. In addition the board supports new club formation, educational experiences for youth, and membership recruitment.

Larry reflected in an email recently. He was thinking of all his years in 4-H as a youth and adult and said "I realize more than half of my life I have lived and loved my 4-H opportunity". He credited his wife, Karen for her great help with his many Story County 4-H activities. Larry and Karen have three sons who were also active in Story County 4-H.

### 4-H Volunteer Service Years

| <b>5 years</b>                                                                                                                                    | <b>10 years</b>                                              | <b>15 years</b>               | <b>20 years</b>                                                           | <b>25 years</b> | <b>30 years</b>                                                       |
