### ***All Clubs Needed for Tear Down***

Club leaders, listed above, are responsible for finding one adult (this does not have to be a leader) and two 4-H members, or second adult, in the club to help patrol. Your club may split up the three hour shift however you wish. Your club may trade shifts with another club on the list.

Clubs assigned to "patrol" may be asked to assist with activities going on in the building at the time. This may include "tasting time", games and crafts, children's activities, etc. When your club arrives to patrol, check the patrol instruction box for instructions, sign-in form, name tags and other important items.
