THANK YOU, THANK YOU, THANK YOU!!!

PLEASE don't forget to thank your award sponsors and buyers!!! The award information should be on the bottom/back of the trophy/award, can also be found in fair book. If you are not sure please contact the Extension Office. If people don't think their awards are appreciated they may very well not sponsor again next year. A thank you note goes a long ways!!

Join 4-H!!!!

If you know of anyone that will be entering the 4th grade this fall please talk to them about joining 4-H (they can be older than 4th grade!!!). Let them know the wide variety of projects they can do and the great opportunities 4-H has to offer. If there are any questions please call the Extension Office (641) 872-1755 or email me at dewing@iastate.edu. There are some brochures in the office that explain a little about 4-H if anyone is interested. Enrollment forms are due **November 1, 2009**.

4-H RECORD BOOKS

Now is the time to work on those record books. If you kept your goal sheets from fair it makes things much easier! If there is anything we can help you with - forms, goals, layout, etc please call and ASK!!!! We can even set up a time to meet and go through things! If you need forms or book covers come into the Extension Office. There are also forms for the record books online, for those of you that can type faster than write. Go to: <http://www.extension.iastate.edu/4h/recordkeeping.htm>. Record books are due into the Extension Office **October 1**.

LEADERS SECTION

2009 Fall Leader Training

4-H Volunteers Explore Family Involvement

Families are important teachers for their children. 4-H volunteers will gather **September 15, 7 pm, at Breadeaux**, in Corydon to gain knowledge and skills on how to better encourage family involvement in 4-H. This experience is part of the Iowa State University Extension 4-H Youth Development training for certified volunteers in Wayne County.

ISU Extension 4-H volunteers are the backbone of our youth-serving organization. Effective volunteers provide the experiences and positive relationships that enable 4-H youth to gain the skills they need to be successful now and in the future.

The statewide training goal is to prepare volunteers who work with young people in non-formal educational settings to be more effective in promoting positive youth development through the 4-H experience.

Many 4-H forms can be found online at:

<http://www.extension.iastate.edu/4H/recordkeeping.htm>

We are working on getting as many 4-H forms as possible on our county website to make them more available to you!

This newsletter can be viewed on line at:

Wayne County property tax dollars support the Wayne County Extension Office. These tax dollars come to us through the Agricultural Extension District tax levy. The elected nine-member Extension Council is responsible for these funds.

THANK YOU FOR YOUR SUPPORT!
