

DOG PROJECT

4-H PROJECT CLUB INFORMATION || BLACK HAWK COUNTY

The Dog Project is a club for any 4-H youth interested in learning more about their canine BFFs, or dogs in general! All who love dogs are welcome to attend—no dog required! This is a chance to explore all the cool things about dogs and why people love them, through a series of hands-on workshops!

Please note that we also have 4-H dog obedience lessons that 4-H youth can participate in with your 4-legged friend! Call our office at 319-234-6811 to learn more!

COMMUNITY SERVICE AREAS OF FOCUS

We have dedicated one of our workshops to pledging our hands to greater service where we will work as a group to benefit dogs in our community!

WORKSHOP OUTLINE

Dog Grooming 101

You will get hands on practice with grooming equipment and techniques, and nail trimming!

Let's Talk Safety!

Meet and talk to our guest expert—a professional dog trainer! You will get hands on practice with some basic first aid, and have some fun making and baking dog treats!

Visit a Vet!

We will meet at a local veterinary clinic to get a behind-the-scenes look at the equipment and instruments used to take care of our canine friends!

Service Project Planning

After researching different opportunities, we will set a goal and make a plan to work on as a group to benefit dogs in our community. What can we do to help? The possibilities are endless!

Bring your best ideas and an appetite (because you never know when there might be pizza!)
