ServSafe training will provide knowledge every food service professional must know about food hazards and proper food handling practices in order to keep food safe in an establishment.

Other Training Options:

If you do not require your employees to be certified, but want them to have further food sanitation and safety education, consider these options:

- **ServSafe Non-Certified**—$75/person
  Participants receive 7 hours of course instruction. They receive no book or exam.

- **SafeFood**—$35/person
  This 2 hour program is based on ServSafe and is designed to educate all food handlers on food safety basics. Sessions are individually scheduled by contacting Jill Weber at (319) 230-1730 or jweber@iastate.edu. A minimum of 10 people are needed to hold a session. Businesses can combine staff to meet the minimum attendance requirements.

To locate other training dates and locations throughout the state, go to [www.extension.iastate.edu/foodsafety](http://www.extension.iastate.edu/foodsafety). If you want to study ahead of time, you can pick up the ServSafe Manager Manual prior to your scheduled class.
