1. **Fair Guidelines** - Reasonable care will be taken of all exhibits, but liability will not be assumed by the Boone County Agricultural Association, Boone County ISU Extension Council, 4-H Youth Committee, and/or the Fair Superintendents. The groups named above will not be responsible or liable for accidents on the Fairgrounds. Exhibitors are responsible to maintain insurance to cover any loss to animals, persons or property which may occur.
   - No exhibitors will be allowed to stay overnight in buildings on the Fairgrounds but may stay in camping area with parents.
   - Camping permits are available from the Fair Board office for a charge.
   - No alcoholic beverages will be permitted in any buildings or outdoor show arenas during the Fair. No smoking is allowed in any building on the Fairgrounds.
   - An exhibitor who violates rules or takes exhibits before release time (5 pm Static Exhibits and 6 pm livestock on Sunday) will forfeit premiums and may face other consequences as determined by the situation. Release time will be revised for animals going to harvest/packer.
   - Non-Exhibitor Dogs are not allowed on the fairgrounds (including Campgrounds) during fair. 4-H/FFA dogs, small pets and cats come only for judging or for dog agility, should be on a leash or in carriers, and are not allowed in the barns.

2. **Eligibility of Exhibitors** - Only members of Boone County 4-H clubs completed enrollment by May 1st and Boone County FFA members in good standing will be permitted to show in the 4-H/FFA classes. 4-H members may enroll in projects at any time unless earlier deadlines apply (i.e. May 15 for animal projects.)
   - The summer of the calendar year following high school graduation is the last year a 4-H member is eligible to exhibit at County Fair.
   - FFA members that retain their membership after graduating high school and are in good standing with their chapter may exhibit at the Boone County Fair through their entire membership.
   - Rules and regulations made by the 4-H Youth Committee will govern the eligibility of 4-H exhibits and exhibitors.

3. **Entries** - Exhibits must be entered and payment made where appropriate on the appropriate entry form and submitted to the EO by the date indicated on each form. This is important in order to make pen, stall, and class assignments and award premium money. **Signatures are required. Entries are due July 1.**
   - Any member submitting a late fair entry must pay a **late fee** in the amount of $5 per Extension Office workday (with paper work and bedding fee, if applicable). If animals show up at the Fair without having been pre-entered, the member must either pay the accumulated fee on the first day of the Fair or take the animals home.

4. **Iowa Youth Code of Ethics** - The Iowa Youth Code of Ethics is printed on the next page. Signatures of 4-H youth exhibitors and parents on entry forms will confirm that they have read, understand, and agree to follow this code of ethics and any rules of competition of the fair as printed in this fair book. FFA Good Conduct Policy and Code of Showing Ethics must be signed by FFA member and turned in by July 1st.

5. **Protests/Concerns** – All 4-H judge’s, superintendents, and committee members shall be treated with courtesy, cooperation and respect. Any complaints stating that a 4-H judge was incompetent will not be considered.
   - Protests/concerns regarding fair shows/events/rules should first be brought to the attention of an Extension staff member or superintendent for that division within 24 hours of the event.
   - If not resolved, the concerns should be presented in writing to a Boone County Extension staff member within one week of the event. Include in writing details of the concern (who, what, when, where, how, why.) An Extension staff member, a 4-H Youth Committee member, and a superintendent will review the concern and make a decision based upon the guidelines in this fairbook and ISU Extension 4-H Youth policies.
   - An appeal in writing of this decision may be submitted to an Extension staff member who will convene a committee of representatives of Boone County 4-H Youth Committee and Extension Council. Keep in mind that this will take time and will probably be after fair.
   - If issues arise during the fair, and after the grievance procedure has been followed. Final decisions will be made by a joint effort of the following people: show/event/superintendent/chair; fair board president, fair board manager, Extension 4-H representative, and FFA representative.

6. **Disruptive Spectator** - Exhibitors, family members, or spectators who unreasonably question in public the decision of a judge, superintendent and/or committee, Fair Board, or Extension staff member and causes a disruption of any 4-H/FFA show will be asked to leave the judging area for the duration of the show. If a person refuses to cooperate, he/she will be escorted from the Fairgrounds and not allowed to return for the remainder of the county fair. If the violator still does not cooperate or returns, police will be called. If an exhibitor is the violator, his/her exhibits will be released, and any fees and premium money will be forfeited.

7. **Judging** - Judges’ decisions will be final, and awards will be made on their decisions. In any class, if the opinion of the judge is that no exhibit is worthy of a trophy, first place, purple or blue ribbon, the judge can give the awards as he/she sees fit. Red or white ribbon exhibits cannot be considered for state fair (static exhibits) or show for Champion or Reserve Champion.

8. **Total Premiums** - The Boone County Fair Board awards premium money to 4-H & FFA youth members for exhibits at the County Fair, for participation in Fashion Day, and for Communications Division. Premium money earned is to be distributed only after the club/chapter member has completed his or her records or an evaluation of the 4-H/FFA year. If premium money is withheld, it should be designated for the club/chapter treasury.
   - Premium money will be withheld from exhibitors removing exhibits before **5:00 pm for static exhibits and 6 pm for livestock on Sunday.**
   - Exhibitors requesting premium checks to be re-issued (for lost or stolen checks) will have service fees automatically deducted.
Youth agree to follow these guidelines:

1. I will **do my own work**, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.

2. All exhibits will be a **true representation of my work**. Any attempt to take credit for another’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.

3. I will **treat all people and animals with respect**. I will provide appropriate care for animals.

4. I will present exhibits that are **safe for consumption**. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have **met all withdrawal times for all medications**, and be free of volatile drug residue.

6. If any animal requires medical treatment while at the fair or exhibition, **only a licensed veterinarian may administer the treatment**. All medications that are administered shall be done according to the label instructions of the medication used.

7. **My animal's appearance or performance shall not be altered by any means**, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.

8. I will **follow all ownership and possession rules** and, if requested, will provide the necessary documentation.

9. I will follow all **livestock health requirements** for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.

10. By my entering an animal in this fair or exhibition, I am giving **consent to the management of the fair or exhibition to obtain any specimens** of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with **burden on the exhibitor, parent and/or guardian to prove otherwise**.

11. **I am responsible for my exhibit and I will not allow others to violate this code on my behalf**. By my entering an exhibit in this fair or exhibition **I will accept any disciplinary action** taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.

12. I want my exhibit to be an example of how to accept what life has to offer both, good and not so good, and how live with and **learn from the outcome**.

13. I will **not be involved in any illegal activities** while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use on Fairgrounds and Campgrounds.

B. If the violation occurs after exhibiting, the member forfeits his/her premium money, prize money, trophies/banners and/or sale of champions money, and must remove his/her exhibit(s) from the Fairgrounds.
C. The violation will be reported to the exhibitor’s school for further action under the school district’s good conduct policy.

2016 HEALTH REQUIREMENTS FOR EXHIBITION OF LIVESTOCK, POULTRY AND BIRDS AT A COUNTY 4H/FFA FAIR EXHIBITION

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINK EYE, DRAINING ABSCESSSES OR ANY OTHER CONTAGIOUS OR INFECTIOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.

No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4-H/FFA FAIR, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. All animals moving from out of state into an Iowa county 4-H/FFA fair must meet Iowa Animal and Livestock Importation requirements. Each show must have an official veterinarian.

Quarantined animals or animals from quarantined herds cannot be exhibited.

Official identification listed on a Certificate of Veterinary Inspection required for all cattle and bison of any age coming in from out of state used for rodeos, recreational events, shows and exhibitions.

SWINE

All swine must originate from a herd or area not under quarantine and must be individually identified. Plastic tags issued by 4-H officials may be substituted for an official metal test tag, when there is an additional identification (ear notch).

Swine originating outside of Iowa. All exhibitors must present a test record and Certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), regardless of the status of the herd, and that show individual official identification. Electronic identification will not be considered official identification for exhibition purposes.

SHEEP AND GOATS

All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678). All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678) or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG; 1-866-873-2824). Wethers less than 18 months of age are required to have an individual identification and a scrapie tag may be used, but a scrapie tag is not required.

POULTRY AND BIRDS

All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. (SEE GENERAL SECTION 1.B) Please note: Poultry purchased from a hatchery and raised for exhibition are not exempt from Pullorum-Typhoid testing requirements.

However, "Market Classes" of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. "Market Classes" of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot high solid partition.

DOGS AND CATS

All dogs and cats exhibited must have a current rabies vaccination certificate.

THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL.

**Boone County Beef Carcass Contest - Division AB**

Criteria to determine carcass evaluation include incorporating carcass desirability, growth rate and market trends into equations to calculate carcass value per day on feed. The winter weigh-in weight will serve as the starting point.

Contest participants will retain ownership of their cattle until the carcass has been weighed, therefore, the participant suffers the loss if the cattle die in shipment or suffer discounts due to condemnation, bruise trim, hard bone, or other qualifying problems. Participants will contribute toward an indemnity fund that will cover the discount (up to Select price) for a dark cutter. The carcass base price will be determined the day of harvest, however, the recent prices paid and discounts will be announced at the fair.

11. Premiums paid on carcass’s placing 1st – $250; 2nd – $125. All carcass contest entries will receive $100.

   - Starting and Completion of a run: the dog shall be leashed before entering the ring. A dog’s time starts whenever any part of the dog crosses the clearly marked start line. Judging the performance of the dog shall not start until they have crossed the start line. A dog’s time stops whenever any part of the dog crosses the finish line. The dog shall be leashed before exiting the ring.

5 point penalties (judge holds up one hand) include: Refusal(s) or run-off, by’s, knocking down a jump bar, taking the wrong obstacle or back jumping, on and off the table, touching the dog or touching the obstacle (incidental touches expected), excessively guiding the dog with leash. Any interference or outside assistance that is intended to aid the dog or handler from persons outside the ring.

Fault Abbreviations & Descriptions

“R” Refusal (-5 points) – coming to a complete halt with a 1 second pause in front of an obstacle.

“R” Run-by (-5 points) – Passing the plane of the entrance of an obstacle, to the side of the obstacle such that the dog must turn back on its path to complete the obstacle.

Once a refusal/run-by has been incurred; the handler will have 15 seconds to encourage the dog to complete the obstacle. If the dog has not completed the obstacle at the end of this time period, the judge will instruct the handler to move on. The handler must then cease to attempt that obstacle and move on to the next obstacle on course. The handler may also choose to move on to the next obstacle before the end of the time period, prior to instruction by the judge.

10 point penalties (judge holds up two hands) include: Failure to perform, not making contact in contact zones, not completing an obstacle, the handler going over the obstacle with the dog, grabbing the dogs collar instead of the leash, or missing one or more weave poles.

Whether obstacle is completed or if the dog jumps off, dog and handler must go on to the next obstacle and may not attempt that obstacle again.

Non-Qualifying penalties (the judge will ask you to leave the ring) receiving a white ribbon: Dog unable to complete the course for any reason (including leaving the ring and not returning, ceasing to work, being out of control, etc). Failure to follow judge’s verbal instructions, Dog urinating or defecating in the ring.

Fault Abbreviations & Descriptions

“E” Elimination (NQ) – Actions by the dog or handler as listed in Non-Qualifying penalties and Unsportsmanlike conduct.

If the dog leaves the handler and/or ceases to work, the handler has a time limit equal to ¼ of the course time to reengage the dog and continue their run. If the handler regains control of the dog within the time limit, the team may continue the run. If the handler has not regained control of his/her dog at the end of the time limit, the run will be considered to be finished, the team will leave the ring and the next handler/dog team will start their run.

   - Attire While Showing - Each exhibitor should wear a clean white 4-H or FFA shirt. No caps or hats.

2. Classes - Exhibit classes are broad categories to allow for a variety of product or idea exhibits. To plan exhibits, 4-H'ers are encouraged to use 4-H project guides and/or hot sheets to determine goals and learning experiences. Exhibits might be, but are not limited to, an actual product, poster, or display box, report, or notebook, model, video or audio tape.

3. Eligibility of Exhibitors/Exhibits
   - Exhibitors must have participated in the 4-H project or an Extension education program from which the exhibit is an outgrowth. The exhibit is to be an outgrowth of work done to accomplish a goal(s) determined by the member or group during the current 4-H year.

   - A member must be enrolled in 4-H and program development fee paid no later than May 1 of the current year to be eligible to enter exhibits in this year's fair.

   - A 4-H member who cannot be present on judging day must find a substitute 4-H member to take his/her exhibits to the judge.

   - If an exhibitor has set a goal(s) that can be accomplished by both a classroom assignment and an outgrowth of a 4-H project, that's OK. The intent is that the exhibitor has set a pre-determined goal. The evaluation criteria and exhibit guidelines for each opportunity will be different and exhibits should be prepared accordingly.

5. Group Exhibit - Exhibits can be prepared by an individual or group. Each member of a team or group exhibit must list the entry on his/her entry form. All exhibits, individual or group must meet the age requirements to be eligible for State Fair exhibiting. For example, if a 4-H group wishes to enter a notebook describing a citizenship effort, the documentation should recognize the contributions of the 4th graders but be prepared by those who are 5th grade and older.

6. Limits
   - There is no limit to the number of entries per exhibitor per class provided major learning are different in each entry with the exception of photography, visual arts, music and garden classes. Some exhibits could fit in more than one class. The exhibitor should determine the class which relates best to their goal.

   - Size limits:
     - Posters may not exceed 24” x 36” in size.
     - Chart or graph boards, project presentation boards, and model displays, etc., are not to exceed 48” x 48” in size. Maximum size is determined by measuring the flat (unfolded) dimensions.
     - Display boxes are not to exceed 28”x22” in height or width and 12" in depth.

   - Safety and approved procedures must be followed throughout development and evaluation of exhibits.

   - Endangered and threatened plants and animals (includes insects) should not be used in any exhibit. Wildflowers taken from parks should not be used. It is illegal to possess songbird feathers or nests. Game animals “legally taken” such as pheasant, goose, duck, or quail are acceptable. Any plant considered a noxious weed should not be planted in gardens. Other dried established weeds are acceptable for use in exhibits.

7. Evaluation - The exhibitor's goal and applicable exhibit standards will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, quality of work and techniques, and general appearance and design.

8. Copyright or Trademark
   - Duplication of copyright material or design should not be used in a 4-H exhibit that is presented as original work by the exhibitor. A copyright design cannot be displayed in a public setting (fair) without permission being granted from the owner of the copyright. When permission has been granted by the owner of the copyright, the exhibit will be displayed and labeled appropriately. Those without permission cannot be displayed.

   - If a judge observes copyright or trademark concerns while evaluating an exhibit, the exhibit will still be judged on the criteria listed in #7, and a ribbon awarded. The copyright or trademark concern will be discussed with the 4-H'er as part of the learning process. If the judge determines that there is a copyright violation, the exhibit cannot be on public display or held for further consideration.

   - In preparing 4-H exhibits, 4-H’ers need to credit sources of your information, use original purchased objects for display (not copies), avoid copyrighted cartoon characters and logos (sports and brand name logos), and avoid copyrighted information from print media and the Internet.

9. Labeling
   - An entry tag and goal card or other written or visual support material must be completed and attached before an exhibit is judged. Age levels are: Juniors (grades 4 – 6), Intermediates: (completed grades 7 – 8), & Seniors (grades 9 – 12) grades just completed.

   - A main item of each exhibit must have the entry tag securely and prominently attached. Additional pieces of the exhibit should be labeled with the member's name, club, and class number.

10. **Art Elements and Principles of Design** - These are foundation of design whether putting together fabrics for clothing and quilts, selecting furnishings for a room, or creating a drawing. Design elements are line, shape, form, color and texture. Design principles are balance, proportion, rhythm, emphasis and unity. Information on elements and principles of design for clothing can be found at: http://www.extension.iastate.edu/Publications/4H313.pdf

11. Most specific classes have specific guidelines and requirements that will be included in the judging process. Members are highly encouraged to go to http://www.extension.iastate.edu/4h/page/exhibit-tip-sheets to find information about judging criteria for exhibits that they create from their 4-H Project learning.

12. **Check-In & Judging** - Exhibitors are to bring their completed exhibits and entry form to the check-in table on judging day according to the schedule in this book. Exhibitors will individually visit with a judge (conference judging) about their goals and what they have done and learned. Judges will break for lunch at noon and finish judging around 6:00 p.m.

13. **Ribbons** - Exhibits will receive blue, red, or white ribbons. A limited number of outstanding exhibits will be identified with purple ribbons. State Fair entries will be recognized with purple rosette ribbons. An exhibit held for further consideration may, at the judge’s discretion, receive a blue or purple ribbon.

14. **Club Booths** - Club leaders and members are responsible for displaying exhibits of their respective clubs in designated locations. Small portions of food exhibits will be kept for display and the remainder sold at the bake sale. Tacks, tape, and staples are allowed only on the wood strip provided on the exterior walls of the Community Building or the wood dividers.

15. **Security** - Due to security, we discourage 4-H’ers from sending items that have special meaning or historical value as the exhibit or part of an exhibit. The Fair Board and ISU Extension will use diligence to ensure the safety of articles entered for exhibition after their arrival and placement, but will not be responsible for damage or loss by fire, theft, etc. (Also applies to State Fair.)

16. **Release** - Exhibits will be released from 5:00-5:30 pm on Sunday. To reduce the risk of injury, no vehicles will be allowed to enter the fairgrounds to pick up static exhibits until 5:00 pm and must leave the fairgrounds by 6:00 pm. Exhibitors with smaller exhibits are encouraged to pick up exhibits at 5:00 pm and carry out of the building. Premium money will be withheld from exhibits removed before the release time, and for other non-compliance with rules and policies. An adult from each club should supervise the release of exhibits.

17. **State Fair Eligibility and Exhibiting**

- 4-H exhibiting eligibility at the Iowa State Fair will include 4-H members who have completed 5th through 12th grades (or equivalent). Exhibits that do not comply with class descriptions, size guidelines, copyright, safety, and approved procedures will not be accepted for entry, evaluation or display at the Iowa State Fair.
- A written explanation, CD, DVD, or video tape must accompany the exhibit briefly answering the questions in #1 on page 32. State Fair judges have 7-10 minutes to evaluate the total exhibit. The information requested needs to be well organized and brief.
- State Fair exhibits will be selected following conference judging during the county fair. The Community Building will be closed during State Fair exhibit selection. 4-H’ers and parents will be asked to leave the Community Building unless they are assisting a judge. State Fair selections will be announced after all decisions have been made and documented.

- 4-H’ers may have up to three total exhibits selected for State Fair.
- Check the schedule in the back of the Fair Book for time of State Fair publicity photo session, which will take place near the stage in the Community Building.
