Iowa State University Extension and Outreach programs are available to all without regard to race, color, age, religion, national origin, sexual orientation, gender identity, genetic information, sex, marital status, disability, or status as a U.S. veteran. Inquiries can be directed to the Director of Equal Opportunity and Compliance, 3280 Beardshear Hall, Iowa State University, Ames, Iowa. 515-294-7612

**Hands-on instruction with experienced instructors**

Tutorials for the latest version of ArcGIS Desktop software from introduction to operational in 2 days! Map making, data editing, data management, polygon creation, map editing, digitizing, printing, exporting data and map and much more.

One-year license for ArcGIS Desktop Education Edition included.

Follow-up mentoring and resources:

Introductory short course on geographic information systems with face-to-face instruction from experienced GIS users and instructors with multiple years of experience. Newly revised tutorials for ArcGIS 10.3, built upon and improved versions of the programs highly praised tutorials.

The standard fee is $500 per registration with discounts available for multiple registrations from the same agency, for repeat participants and for ISU affiliated personnel.

- 10% discount for two registrations and repeat participants
- 15% discount for three or more registrations
- Additional discount for ISU faculty, staff, and students
- 10% discount for two registrations and repeat participants from the same agency for repeat participants and for ISU affiliated personnel.

Fees include course tutorials and data, handouts, one year license for ArcGIS Desktop Education Edition, snacks and beverages, as well as all software and hardware for instruction.

Participants will learn the basic functions of ArcGIS 10.3 and be operational with the software by the end of the second day of the course. Courses are held at the Iowa State University Extension Community and Economic Development offices at the ISU Research Park in Ames. However, courses can also be developed for your needs and delivered at your site or ours. Please contact us for more information or options.

To register, complete this registration form, send it with a check for $500 payable to ISU Extension GIS to:

ISU Extension GIS, Nora Ladjahasan, Iowa State University, 326 College of Design, Ames, IA 50011-30919
