

HAVE RAPIDLY RISING EQUIPMENT COSTS AND A SHORTAGE OF SKILLED LABOR BEEN A PROBLEM FOR YOUR FARMING OPERATION?

HAVE YOU WONDERED ABOUT WAYS TO SHARE MACHINERY AND LABOR WITH OTHER PRODUCERS?

Sharing resources in farm operations can reduce costs and increase efficiency, but sharing can also have implications for taxation, liability, and farm payment eligibility that should be considered.

The Machinery & Labor Sharing Arrangements Workshop will help you evaluate whether sharing is right for you.

MACHINERY & LABOR SHARING ARRANGEMENTS WORKSHOP

MACHINERY & LABOR SHARING ARRANGEMENTS

Producer education workshop

This workshop will discuss strategies for sharing machinery and labor in your farming operation and provide tools to help you evaluate sharing as an option. It will cover benefits and drawbacks of sharing equipment and labor, planning for sharing resources, available resources for implementing sharing arrangements, and organizational issues associated with equipment and labor sharing.
