4-H ASSUMPTION OF RISK AND RELEASE OF LIABILITY (Please read carefully)
I give permission for my child to participate in this 4-H program. I understand that 4-H project activities/events may involve certain risks of physical activity and possible injury and that Iowa State University and its 4-H program will provide each participant with reasonable care, but that ISU cannot guarantee that my child will remain free of injury. In addition, some 4-H projects including but not limited to: shooting sports, horse or livestock projects, water activities, and other sporting activities have a higher degree of risk. I nonetheless wish to have my child participate in the 4-H program and ASSUME the RISK of participating. I agree to RELEASE from LIABILITY, INDEMNIFY and HOLD HARMLESS the State of Iowa, the Board of Regents of the State of Iowa, Decatur County Pheasants Forever, and Nine Eagles State Park (Department of Natural Resources), ISU and ISU Extension and their officers, employees and agents (hereinafter the RELEASEEES) from any and all claim and/or cause of action arising out of and related to any injury, loss, penalties, damage, settlement, costs or other expenses or liabilities that occur as a result of my child’s participation in the 4-H program. This release, however, is not intended to release the above-mentioned RELEASEEES from liability arising out of their sole negligence.
