

Project R.E.A.D. (Read, Eat, and Do Together) book bags order form

Project R.E.A.D. is an educational program that helps families with preschool children develop literacy skills, while promoting healthy eating, eating together as a family, and parent/child interaction. There are three nutrition “book bags” (two in Spanish) that provide materials and activities.

These activities reinforce concepts that are presented in three books (Growing Vegetable Soup by Lois Ehlert, Feast for Ten by Cathryn Falwell, and The Beastly Feast by Bruce Goldstone) that need to be purchased separately. Only the supplemental educational materials can be purchased from this order form.

Please send:

_____ (number of copies) x \$100 — hard copy masters, English and Spanish

_____ (number of copies) x \$100 — CD of pdf files, English and Spanish

_____ total dollar amount included

These materials will be mailed when payment (check payable to Iowa State University) or a purchase order, and the attached signed license agreement are sent to:

... and justice for all

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) Many materials can be made available in alternative formats for ADA clients. To file a complaint of discrimination, write USDA, Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, SW, Washington, DC 20250-9410 or call 202-720-5964.

Issued in furtherance of Cooperative Extension work, Acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Stanley R. Johnson, director, Cooperative Extension Service, Iowa State University of Science and Technology, Ames, Iowa.
