NEWS RELEASE

WINDBREAK 101 WORKSHOP PLANNED

A “Windbreak 101” workshop has been scheduled for Thursday, October 24th for anyone interested in learning more about windbreak maintenance, design, or windbreak cost-share assistance.

Dr. Jesse Randall, Iowa State University Extension Forester, will lead the discussion on current pests, diseases, and environmental issues affecting existing windbreaks. Randall will also share steps to take when planning and designing a windbreak and recommend suitable tree species for northern Iowa. Bring your questions and photographs and Jesse will help work through the problems that you are dealing with in your windbreaks.

The (October 24th) program will be held from 6:30 pm to 8:30 pm. at the ISU Extension and Outreach office, 209 Centennial Dr. Cherokee, IA. If you would like to pre-register or have questions about this program, please contact Cherokee County Extension office 712-225-6196 or xcherokee@iastate.edu

There is no charge for attending this program.
