1. Competition for premiums is open to anyone who wishes to enter unless otherwise stated under special rules.

2. The Rules and Regulations should be carefully read by each exhibitor to avoid misunderstandings and especially the rules in each department entered.

3. All articles exhibited must be owned by the person entering same; and to entitle any article other than horses to a cash premium, it must have been manufactured, produced, or grown by the person entering it.

4. All open class entries may be made at the office of the secretary starting Monday, July 11, 2016. Pre-registration is highly recommended but entries will be accepted until the times stated in the rules for each department.

5. Should any person enter an article or an animal in a name other than that of the bona-fide owner, the person making such entry shall not be allowed a premium should one be awarded.

6. The secretary shall furnish a card to correspond with every entry on the books showing exhibitor number and class number, same to be attached to article exhibited. No animal or article deemed unworthy shall be awarded a premium, nor any barren animal shown in the breeding classes.

7. Anything entered in the wrong class must be changed to the proper class at the secretary's office BEFORE showing or the secretary will rule it out.

8. Exhibitors must see that articles intended for exhibition in any open class are delivered to the Department Superintendent. The association will not, in any case, provide transportation or be subject to any expense either in delivery or return from the grounds. The Hamilton County Fair Association will use all diligence to secure the safety of the stock and articles after arrival and arrangement on the grounds, but will not be responsible for any loss or damage that may occur. It is particularly desired that exhibitors give their personal attention to their property and at the close take charge of it.

9. Open class exhibit building will be open from 11:00 a.m. - 8:00 p.m. on Wednesday, Thursday, Friday, and Saturday; and 1:00 - 5:00 p.m. on Sunday. Exhibits will be released at 5:00 p.m. Sunday. Commercial exhibits will be open from 11:00 a.m. - 8:00 p.m. Wednesday, Thursday, Friday and Saturday; and 1:00 - 6:00 p.m. on Sunday.

10. No articles shall be exhibited in more than one class except in case of livestock.

11. No articles or animals shall be removed from the Exposition before the specified release time. If removed before that time without consent of the Superintendent, they shall forfeit any premium that may have been awarded, stripped of any titles and suspended from showing at the fair for one year.

12. Exhibitors are expected to follow the program promptly in producing the stock when instructed to do so, and any person refusing shall be ruled out of competition.

13. Any exhibitor knowingly misrepresenting the age, breeding, ownership, etc. of stock or the manufacturer or production of articles competing for premiums at the fair; or any person who shall attempt to interfere with the judges while in discharge of their duty, or who shall afterwards on the premises of the association use any rude and disrespectful language with reference to any decisions or awards shall thereby forfeit his/her right to any premium which might be entitled and shall be excluded for one year thereafter.

14. Any non-exhibitor attempting to interfere with the judging, questioning judges’ decisions, or exhibiting rude or disrespectful behavior towards a judge may be removed from the immediate show area by the superintendent of the show.

15. No person shall be allowed within the ring except judges, show superintendents, fair board directors, exhibitors at the time only of making the exhibitions, and show assistants.

16. There will be no soliciting/advertising of any kind that is not pre-approved by the Hamilton County Fair Board. No material will be handed out on grounds without prior approval of the Board.

17. Any and all protests on the Hamilton County Fairgrounds are required to take place from 8:00 am – 9:00 am on the infield of the Hamilton County Race track. These protests are to be done peacefully and should not jeopardize the general public's safety.

GENERAL RULES

18. All horses showing for prizes must be exhibited in the designated place or no premiums will be awarded.

19. Judges shall report to the Superintendent any exhibitor who shall interfere with the judging. In cases of any interference the Superintendent may demand a proper apology and/or withhold any premium previously awarded and exclude any further entries by such exhibitor in classes yet to be judged.

20. Judges may withhold first premium if in their judgment the best exhibit in the class is not worthy of a prize. It is the object of the Association to further improvement and the judge may at his/her discretion award first, second, or third or withhold premiums as he/she may deem proper. This rule will be adhered to even where there is competition.

21. Judges and Superintendents should see that the awards are properly signed before turning the books over to the Secretary.

22. Any animal or article must have won first in its class in order to be eligible for Champion.
SUPERINTENDENTS OF DIVISION

23. It is the duty of the Superintendents to be on the grounds early in the morning of the first and each succeeding day of the Exposition. They are to be ready to arrange the animals and articles entered for exhibition so as to exhibit to the best advantage to the spectators as well as to the judges.

24. Each Superintendent will give instructions to the awarding judge before the latter enters upon his/her duties.

25. The Superintendent will assist in locating stalls and pens. No stalls or pens will be considered taken until paid for.

JUDGES

26. No person shall act as judge in any class in which he or she may be an exhibitor. A superintendent is allowed to show in their department.

27. Should any doubt arise as to the irregularity of an entry, or any other important matter that a judge feels incompetent to decide, they must at once report the same to the Superintendent of the proper department.

28. Great care should be taken by the Superintendents in recording the awards in the Judge's Books, furnished them by the Secretary, in order that no mistakes occur.

29. When the awards in any class are made and entered on the Judge's Book the report shall be signed by each judge and the books returned to the Superintendent of the Department.

30. The Association will not be liable for any errors of committees or clerks in placing premiums. ALL PERSONS WILL BE PAID AS SHOWN BY THE JUDGES' BOOKS.

31. The Fair reserves its Board the final and absolute right to interpret these rules and regulations; and to arbitrarily settle and determine all matters, questions, and differences in regard thereto, or connected with or incident to the fair.

Adult Food and Nutrition Challenge Recipe
2016 – Graham Clover Rolls
Source: http://americanheritagecooking.com/2014/02/graham-clover-rolls-one-year-anniversary/

2 cup hot whole milk 1 teaspoon sugar
2 tablespoons molasses 1 cup whole-wheat flour
1 packet dried active yeast (2 1/4 teaspoons)
About 5 cups graham flour (Bob Red Mills)

- Add molasses & salt to the hot milk & let it cool until it is lukewarm. (110° F)
- While milk mixture is cooling, add ¼ cup of warm water (110° F) to the yeast & stir to mix. Then added 1 teaspoon of sugar.
- Add the yeast to the milk mixture & stir to mix.
- Add all the whole wheat flour & three cups of graham flour.
- Knead by Kitchen Aide-Using a bread hook attachment on your mixer or a wooden spoon, mix & continue adding graham flour until you have a stiff dough. Set on speed 2, & let it work until the dough climbed up the hook & cleaned the sides of the bowl, about two minutes. Knead on speed 2 for an additional two minutes.
- Or knead By Hand-Press the dough away with the palms of your hand. Stretch the dough from the edge, folding back edge over to the center. Press the dough away with the palms of your hands, exerting sufficient force to cause the part folded over to adhere to the mass under it, & repeat folding. Turn dough one-quarter around & repeat kneading. Continue turning, folding & kneading until dough is smooth & elastic & will not stick to an unfloured board.
- Grease large bowl with vegetable oil. Place dough in bowl & turn the dough to cover all sides with oil. Cover with warm, damp towel & place in a warm place (80 ° - 85°F) for an hour, or until the dough is triple its size.
- Grease 32 muffin tins.
- Punch down dough and allow to rise a second time till double around 1 hour.
- Shape clover rolls by pinching off pieces of dough that are roughly 1” size. Shaped them, & pressed three into each greased muffin tin. Repeat this step until all the dough is gone. Lightly brush rolls with melted butter. Cover pans with a saran wrap and a damp cloth & set aside to rise (double in size) in warm location.
- Bake rolls for 8 minutes at 400°F & then decrease temperature to 350°F for the remaining 10-20 minutes. Cool on wire racks.

Premiums: Blue - $2.00 Red - $1.50 White - $1.0

RULES AND REGULATIONS
JUNIOR LIVESTOCK DEPARTMENT  
(4-H and VOAg-FFA)  
(ALSO SEE GENERAL RULES IN FRONT OF 4-H SECTION)  
1. All animals must have been properly enrolled as a 4-H project or VoAg-FFA enterprise.  
2. All Market Beef must have been weighed in by January 15th and Market Sheep and Market Meat Goats by May 15th at a designated time and site. All livestock must have been identified on Livestock ID and on file at the Extension Office by May 15.  
3. SUBSTITUTE SHOWMAN — Excusing a member from personally exhibiting his or her animal(s) defeats the important objectives of 4-H/FFA work. Hence, the management does not approve the use of substitute showmen except in extreme cases. If a 4-Her or FFA member is injured or is seriously ill at the time of the show or is involved in another FAIR activity with a non-flexible schedule at which their presence is mandatory (i.e. another livestock show, queen contest, quiz bowl, Pride of Iowa) the 4-Her or FFA member may submit an application for a substitute showman. The Superintendents will decide on eligibility. The substitute showman must be a 4-Her or FFA member eligible to exhibit at the fair, already exhibiting in the species, and APPROVED IN ADVANCE OF THE SHOW by the superintendents. Forms for the approval of substitute showman may be obtained from the Extension Office or from the website extension website. These forms must be filled out completely and approved IN ADVANCE OF THE SHOW. If the request is approved, the form will be handed to the clerk checking the class into the show ring. An exhibitor, who has more than one animal in a class, need not secure approval for another eligible showman (someone already exhibiting in that species) to exhibit one of his/her animals. However, it is expected such cases will be brought to the attention of the clerk checking animals into the check-in area or show ring. 
No substitution will be allowed for showmanship lots.  
4. All purebred livestock exhibited in breeding classes must be registered and recorded in the exhibitor's name or in partnership with parent or guardian prior to the date of showing.  
5. In the event of two entries in one class or illness of exhibitor, a bonafide VoAg-FFA or 4-H member, enrolled per Items 1 and 2 in General Rules, may show the animal upon approval of the Department Superintendent.  
6. All animals will be placed on a merit basis into blue, red or white ribbon groups. To be considered for a champion ribbon and/or trophy, the animals must receive a blue ribbon and be of championship quality (as designated by judge).  
7. All exhibitors must comply with the general rules and health requirements of the Hamilton County Fair.  
8. Each exhibitor shall wear the official rust-colored Hamilton County Exposition T-shirt or a plain white T-shirt, and long pants, when exhibiting in 4-H/FFA Shows. Appropriate shoes (no sandals) should be worn. When exhibiting in strictly 4-H, a 4-H T-shirt can be worn. Entrants failing to comply with any of the rules are not eligible to exhibit.  
9. Showmanship-Only Hamilton Co. exhibitors are eligible to participate in showmanship classes. Judging will be according to the following criteria, in order of importance: Presenting the animal in ring; appearance of animal; appearance and merits of exhibitor; showing any other animals; promptness to arena. The animal brought into the ring must be the property of the entrant and must be exhibited in a regular livestock class (Market or Breeding).  
10. All livestock superintendents MUST ADHERE to fair check-in times.  
11. Any exhibitor removing livestock from pen or stall prior to 6:00 p.m. on Sunday will forfeit premiums, will be stripped of any titles, and will have a one-year suspension from showing at the Hamilton County Fair.  
12. No straw allowed in any livestock barns. (See Exception) No bedding is allowed in beef or dairy pens. (See Exception) EXCEPTION: For health reasons, bedding, including straw, may be used for milking Dairy Cows only. Wood chips/sawdust/shavings are allowed in the sheep barns. Sawdust allowed in the horse barns. Sawdust or shavings must be used in swine pens.  
13. Pens must be cleaned and will be checked by Superintendents following removal of livestock. Exhibitors failing to do so will forfeit premiums.  
14. Any artificial means of removing or remedying physical defects or conformation in animals exhibited, such as pumping or injecting air, will be considered as fraud and deception. This includes no painting (or black adhesive) above the hooves on beef animals. Fair officials do not allow the use of diesel fuel on hogs. All animals giving evidence of such treatment will be barred from exhibition at the Hamilton County Fair. The Hamilton County Fair Board will make final rulings. (Exception: False switches will be permitted on beef and tails extensions on Horses.)  
15. Entry fees must be paid at the time entries are made or they will not be accepted. No refunds. See individual Department rules for limitations on entries.
