Please write a few complete sentences about what you learned in 4-H, or why others should join 4-H.

I think people should join 4-H for the hundreds of opportunities that it opens up for you. Opportunities not just to learn, but to grow as a leader, a community member, and as a person.

Future plans: I plan to attend a 4-year institution to pursue degrees in Aviation and/or Aerospace Engineering. After that, I hope to lead a career as a pilot and continue to serve my community.
