Animal Identification

Mark your calendars - May 15, 2022

May 15 continues as the deadline to identify animals in 4-H Online and FFA Google Form ID. You are able to identify your animals in these systems now, but do not enter any weigh-in animals (Swine, Market Lambs, Market Meat Goats) until after the weigh-ins this spring.

4-H Online Animal ID:

<https://v2.4honline.com>, login, click on member profile, click on Animals from the list on the left.

FFA Animal ID: Visit <https://www.extension.iastate.edu/mahaska/page/livestock-exhibiting-information> and scroll down to FFA Animal ID.

You have until **11:59 p.m. on May 15**, but please do not wait until the last minute. Even if you do not have your animals yet, log into 4-H Online and click on Animals to ensure you are able to access your account or test out the FFA Google Form ID and ensure the links work well in advance of May 15.

Clover Kids Corner

In March, the Clover Kids learned about Sounds All Around through hands-on musical activities.

In April, we'll learn about Tricky Towers!

Monthly email reminders are no longer being sent. Printed calendars were sent home with participants in February/March.

4-H Club Fundraiser Approvals

If your 4-H Club plans to complete a fundraiser this year, please complete a Fundraiser Request form and turn in to 4-H Staff. If you would like to receive a Fundraiser Request Form, please contact the Extension office. This form is required to comply with the Iowa 4-H Club Financial Policy.

4-H Club Attendance Policy

Mahaska County has a 75% attendance policy in place for 4-H members of community and special-interest clubs. Members attending at least 75% of their clubs' meetings, activities, and/or pre-approved 4-H experiences will have eligibility to exhibit at the county fair.

Clubs can set their own parameters within the 75% policy.

We recommend that if members are part of an **additional** special interest club, like Honor Council, that their attendance combined for both will count toward the 75%.

New 4-H Members

New 4-H members, who have not been in Mahaska County 4-H in the past, have until **May 15, 2022** to enroll and pay their registration fee and be eligible to exhibit at the Southern Iowa Fair. Please note that the 75% attendance policy will apply, so attendance at all club activities from the time of enrollment until July 1 is very important!

Welcome Kat!

Kat Groenenboom has been hired as a part-time Summer 4-H Coordinator. She will primarily handle 4-H & FFA Livestock, but will also assist with other 4-H & Fair items. Kat was a 9-year 4-H member in Mahaska County and she participated in the County Teen Council in high school. Kat graduated from Iowa State with a degree in Animal Science. She currently works full-time for her family's swine operation but works in the Mahaska County Extension Office in the afternoons. She looks forward to working with the exhibitors and their livestock and helping children learn their animals.

gether they have a 2 year old son, Lincoln. They live on a small acreage outside of Oskaloosa. Megan's dreams are to grow her family and her animals on their farm. State 4-H Youth Conference in Ames

Every June, approximately 700 teenagers converge on the campus of Iowa State University for 3 days full of speakers, workshops, mixers, dances, a banquet, and service-learning activities.

If you've completed 8th grade, you're eligible to attend. You don't even have to be in 4-H to attend this conference! You will get to experience campus life and meet new people from across the state! You will be having fun while learning by doing, dancing the nights away, and serving the community. You will get to learn new things to take back to your community and school, and in the process you might even discover something new about yourself! There are opportunities for you to share your talents with the rest of the delegation through small group discussion, the Conference Choir, and a Talent Show!

If you have a specific interest in animal science, you might want to look into becoming part of the ROUND-UP track! There are also workshop tracks that span all 3 days for certain topics if you'd like to study something in more depth. Or, you can choose different workshops each day to get more variety while you're on campus.

If you'd like to be part of the team to capture the Conference in photos, join our Iowa 4-H Youth Camera Corps, and bring your camera. We're doing things a little differently this year and you'll get to learn photo skills and put them to work through the workshop series.

Please join us on **June 28-30, 2022** for the most incredible three days of your life at the Iowa 4-H Youth Conference!

Registration opens in March. All Mahaska County 4-H Honor Council members can attend this event for FREE!

Financial assistance will be available for all other participants through the Mahaska County Extension Council.

Visit <https://www.extension.iastate.edu/4h/iowa4hyouthconference> for the latest details and registration information.

4-H Club Financials

Each 4-H club was provided with a club finance binder when ISU Extension and Outreach officially transitioned accounts a few years ago. We know that some leaders have changed and we want to ensure each club has a binder that can be used by the Club Treasurer and Leader(s).

If your club does not have a club finance binder, please contact Sara Sims at sjsims@iastate.edu or call 641-673-5841 to request a binder.

The binder includes blank forms for deposits and check voucher requests, as well as information about 4-H club finances.

Sara Sims is working very hard to reorganize all of the club finances. Below are the steps for deposits and check voucher requests. If you have any specific questions regarding 4-H Club Finances, please contact Sara at the email and number above.

4-H Club Deposits

- Money needs to be counted by at least 2 individuals from the club and sign off on the amount with dates next to the signatures.
- 4-H Club Deposit Form must be filled out, signed, and presented with the funds to the Extension office.

4-H Club Check Vouchers (*please expect a 2-week turnaround*)

- Voucher request form must be completed and signed
- Receipt(s) must accompany form
- Club minutes stating the amount and reason for expense was approved by club, a helpful minutes template can be found at <https://www.extension.iastate.edu/mahaska/sites/www.extension.iastate.edu/files/mahaska/secywork.docx>

Payments cannot be processed until the three items listed above are received by the Extension office. These can be dropped off, scanned, faxed, or emailed to the Extension office.

Please be sure your club is still installing a club Treasurer (or two) to manage your club's finances, sign documents, receive monthly statement balances, etc. It is still a very important role within the club, even though the Extension office is now your "bank".

Leaders Upcoming Meeting

There will be a leader's meeting held on May 11th, 2022 in the auditorium at the Mahaska County Extension Office at 6pm. Supper will be served. Please RSVP to let us know that you are planning to attend so we can have enough food provided.

We are hosting a help day for exhibitors who need help with FairEntry. Kat and Sara will be available to help exhibitors in the auditorium at the Mahaska County Extension Office from 5pm to 7pm on May 12, 2022. If you are unable to attend, please call the office to schedule a time for assistance.
