Clemons Clippers News

Tara Bogner is an example of a Shark Tank presenter. She is a grad from ISU in metal art and design. She works at Joseph Jeweler creating & design keepsakes and on the side has a licensed business called Hammered. It is the only one out there! She books 'Hammered' parties (double meaning) that run similar to the canvas parties but with metal stamping. Clemons Clippers and Central IA 4H clubs joined together for her one of a kind presentation.

Members were encouraged to practice on copper circles that were close to quarter size. Then if a member chose to they could stamp into sliver. The copper practice was free however the silver product, along with chains to wear was $47.50 per wearable product. We had a great time and a handful of participants took home metal stamped jewelry that was either purchased for themselves or for a loved one....Mother’s Day!

Lauren & Leah Mosher of Marshall County present their interactive exhibit "What Comes from a Steer?" during the 2016 Iowa 4-H Legacy Awards Gala.

CIF Live Auction Items Needed

This year we are going to have a live auction to raise money for the CIF Scholarship/Grant Program. We will be holding the auction on Saturday, July 9, following the 4-H Carnival/Ice Cream Eating Contest around 8:00 p.m. We are asking each club to donate an item with a $50 or more value. Items can be taken to the Marshall County Extension Office for viewing before the fair.
4-H Carnival

We will once again be having our FUN 4-H Carnival on the evening of Saturday, July 9th at the fair. We ask that each club provide at least one game. If you want more than one, that is great. We will be giving each club $25 to help with prizes/supplies to have their game. The more games the better! Please email Jodi Breniman, jbcattle@mchsi.com, when you have your club game picked. We will keep an updated list to send out to leaders so we don’t have the same game from two or more clubs. First come, first serve on picking your games. So pick your game choice soon. Thank you.

Fair Parking

We will once again be following the same parking rules on the grounds as we did last year. We are asking for your help and hope that everyone follows the guild lines set so that everyone can have a safe and great fair. You may park anywhere on the grounds UNTIL Wednesday, July 6th at 8:00 a.m. From Wednesday, July 6th thru Saturday July 9th parking will ONLY be allowed in the west parking lot, north of the swine/sheep/horse barn or on the east side of the east road. There will be NO PARKING around the Show Pavilion, Exhibit Building, Covered and Outdoor Arena, or the center courtyard. We have so many activities this year with commercial exhibits coming and going that we will not be allowing any parking around these buildings. If one is parked around any of these buildings or driving over roped off areas they will be towed at the expense of the owner.

Beef Bits

Marshall Co. Jr. Beef Breeds Scholarship: If you are a senior in high school and have exhibited a beef project for a minimum of four years or more then you can apply for the 2016 Marshall Co. Jr. Beef Breeds Scholarship. Applications are due by June 1st. Winner(s) will receive a $1,000 scholarship. For applications please contact Jodi Breniman

The Central Iowa Fairgrounds will once again be host to the Bob Williams Memorial Beef show which will be held on Sunday, April 10th. This is a fantastic opportunity to attend a show, practice and get your calf use to being away from home before the fair.
Deadlines for ID’ing & Verifying State Fair/County Fair Nominated Animals in 4HOnline

ALL state fair and county fair animals must be ID’d in 4hOnline with deadlines as follows:

February 1: Deadline for verifying state fair market beef - families must verify information in 4hOnline that staff has entered from weigh-in.

May 15: Deadline for families to enter ID information in 4hOnline for breed animals (not including sheep. All sheep will be ID’d at weigh in), horses, dogs, dairy cattle and dairy goats.

May 15: Deadline for breeding beef heifers to be ID’d in 4hOnline. Breeding heifers MUST have a tattoo and breed, and, if showing in a breed class, a registration number in 4hOnline by May 15th. No exceptions. This is because we do not have a retinal image to verify breeding beef at this time.

May 15: Deadline for families to verify information for their lambs (market, commercial and breeding) and meat goats (wethers & does) ID’d at weigh-in Sunday, May 3.

May 15: Deadline for families to ID all rabbits in 4hOnline.

***Staff will enter ID information into 4HOnline for all market beef; all market, commercial/breeding lambs; meat goat wethers/does; and swine nominated for state fair at weigh-ins. If you have problems getting into 4HOnline or problems verifying/entering your livestock, please contact either Caleb at (641) 752-1551.

Required Animal Care and Disclosure Statement (drug affidavit)

We cannot stress how IMPORTANT this form it. YOU MUST keep an accurate account of your market animals treatment and care during this 4-H year. You will be responsible to keep an up to date record of any treatments or drugs (s) that you give this animal (beef, meat goat, sheep and swine). You will be required to bring this form with you to county fair at check in time and also if you are going to the IOWA STATE FAIR you MUST take this from along as well during check in time. You have any questions, please let Caleb know. Remember this is important so please put this in a place that you know is safe and where you can record any activity on during the year. Thank You to all our volunteers!

One of the great aspects about the Marshall County 4-H Program is the many volunteers it takes to provide a quality experience to youth. We are so blessed to have so many volunteers, long and short term, that assist with various projects. There would not be a Marshall County 4-H Program without the many caring adults willing to help out in times of need. If you are interested in volunteering please, contact Caleb at the Extension Office for more information.

Thanks you,
