Thank You to all our volunteers!

One of the greatest aspects about the Marshall County 4-H Program is the many volunteers it takes to provide a quality experience to youth. We are so blessed to have so many volunteers, long and short term, that assist with various projects. There would not be a Marshall County 4-H Program without the many caring adults willing to help out in times of need. If you are interested in volunteering please, contact Caleb at the Extension Office for more information.

Thank you,
Marshall County Extension Staff
