This day camp will include canoeing, archery, a Native American program, making a dream catcher and leather crafting. A new highlight will be the Insect Zoo, coming to us from Iowa State University.

We will hold the day camp at Meredith Park (a.k.a. Plover Pit) outside of Plover, Iowa. The day will be spent enjoying the outdoors while learning about a wide variety of project areas.

Campers are asked to wear comfortable (old) shoes and other clothing appropriate for the weather. Lunch and an afternoon snack will be provided.
