• The group met to discuss the “what’s and how’s” CEPD could provide with respect to staff support services for ELA operations and logistics.

• CEPD will review the detailed ELA Program curriculum and the ELA Advisory Committee discussion summaries from spring 2008 to suggest any additions or modifications to improve logistics issues.

• Initial discussions focused upon:
  
  o Preparing a detailed budget for the first cohort
  o Establishing a protocol for cohort nominations & selection, emphasizing technology
  o Reviewing curricular and calendar issues to propose venues, catering, instructional design options, archiving, etc.
  o Exploring branding options

The next meeting will be August 14, 2008, 2:30 pm in 102 Scheman.
