

Want to grow your own vegetable garden, but don't know where to begin?

Join ISU Extension & Outreach: Master Gardeners and ISU Extension Nutrition and Wellness Specialist for a three part series of Beginning Gardening workshops.

Beginning Gardening:

What? When? Where? And How?

Learn how to get started growing your own vegetable garden

Thursday, May 11th 6:30 Harlan Comm. Library

Beginning Gardening:

Now what do I do?

Now that you have your garden planted, learn how to care for it;
watering, mulching, pest prevention and more.

Thursday, June TBD 6:30 Harlan Comm. Library

Food Preservation 101:

Learn how to preserve your fresh produce: dehydrating, canning and freezing

Thursday, July 27th 6:30 Harlan Comm. Library

Sponsored by:

ISU Extension & Outreach; Shelby County

City of Harlan
