**Bucket Of Junk Fundraiser**

**Calling All Wayne County 4-H Clubs, Start gathering your JUNK!** The 2016 Wayne County 4-H fundraising efforts this year will once again be the “Bucket of Junk” sculptures. Each club is asked to assemble one five gallon bucket of iron, and metal miscellaneous junk to make a “Artistic Creation”. The creations will then be auctioned off at the 2016 Wayne County Fair to help your 4-H group.

Changes to the action this year is that all sculptures submitted will be auctioned off through a silent auction over the whole week of fair with bid sheets placed in the fair office for guests to bid on.

Money raised by each entry will be presented back to the respected club to be used as they see fit, such as to go toward dues, funding club activities, etc. Entries donated by anyone outside of 4-H clubs, the money raised will go to the 4-H Committee to be decided where funds will be distributed such as Youth Council, etc.

If you would like more information or help with a project please contact Connie @ Wayne Extension Office.

**Adult division also available**, sculptures can again be as small or as big as you like as long as they can be lifted by hand into the bed of a truck and needs to keep in mind bidders still have to get these items home. Does not have to be limited to a five gallon bucket.

Money from the adult division entries will be used at the discretion of the 4-H committee to fund activities being hosted by the Youth council and if needed to help with club dues.

Remember this is for the kids in our local clubs and meant to benefit them.
