2016 Fair Book Updates

- Clover Kids are no longer allowed to show in the Bucket/Bottle Calf or Lamb divisions. Only in the Poultry and Rabbit classes. Bucket/Bottle classes will show with Open Class.
- Updates made to Livestock Rules and Regulations—please read carefully and be aware of the specific standards in place.
- Swine: It will be required for exhibitors to provide registration papers for purebred hogs at time of weigh-in. If there are no papers, they will show as a cross.
- Beef: Exhibitors are required to have records on stall cards prior to the show. No false hair/tails, no pumping.
- Sheep: Lambs must be born after January 1.
- Horse: Sunday attire—Yellow Fair T-shirt or an FFA shirt must be worn.
- Rabbits must be tattooed by July 1.
- ALL Poultry will need to be blood tested prior to entering the Fair Grounds.
- ALL ewes must have a Scrapie flock tag to be eligible for exhibition. To learn more about the Scrapie program, click here.
- With the move to Fair Entry for online registration this year, exhibitors and families will no longer need to attend the Achievement Show to register exhibits for County Fair. This also means that there is not one single entry day for Fair—the Fair registration process is open to Winnebago County Fair exhibitors from June 15th-July 11th, 2016. Additionally, this means that exhibitors and families will no longer need to register for County Fair through hard copy forms at the Extension office—registration can be done online from the comfort of your own home without being restricted by Extension business hours or driving to the Extension office. For more information on this online registration process, please visit the next page or contact your County Youth Coordinator, Sloan.
Fair Entry: Online Registration

Beginning in 2016, Winnebago County Fair registration will be completed through an online system called *Fair Entry*. To do this accurately, please follow the instructions below:

1. Go to [www.fairentry.com](http://www.fairentry.com).
2. Create a username and password for the website to keep track of your family registrations.
   a. 4-H families should use the same login information for Fair Entry as their 4-H Online profile in order to have livestock ID information synch to your fair registration.
   b. FFA families will need to create a new profile in Fair Entry.
3. Search for the 2016 Winnebago County Fair (Iowa) and “click” on it to accept.
4. From this point, you will be able to select registration options from the hierarchy menu.
5. After all of your selections have been made, proceed to finalize your registration selections. Payment will be due at this time.
6. You will receive a confirmation of your registration for Winnebago County Fair following completion of this process.

In addition to being able to register for the county fair, you will be able to view details about the Winnebago County Fair. If, however, you are not able to find what you are looking for in *Fair Entry*, please contact your County Youth Coordinator at your local ISU Extension & Outreach office. For all other fair-related questions or concerns, please contact your County Youth Coordinator at your local ISU Extension & Outreach office (see contact information below).

*Fair Entry* registration will be open to Winnebago County from June 15th-July 11th, 2016.

4-H Building Exhibits: General Rules

This department is open to youth who are participating in 4-H Youth Development Programs conducted by Iowa State University Extension & Outreach. All exhibitors are responsible to read and comply with the Iowa State Fair 4-H General Exhibit Rules, 4-H General Rules and Regulations, and all 4-H department exhibit class rules and regulations.

General Exhibit Rules

1. Age for exhibiting at the Iowa State Fair: 4-H’ers who have completed 5th grade through 12th grade (or that equivalent) are eligible to exhibit at the Iowa State Fair. Exception: Group exhibits from an entire club may include 4th grade members.
2. **4-H youth who have completed 4th grade may participate in any of the static exhibits. However, they are not eligible for State Fair selection.**
3. Eligible exhibits are an outgrowth of work done as a planned part of the 4-H’ers participation in 4-H projects or programs during the current 4-H year. Exhibits can be done by an individual or group and may represent all or part of the learning in the project or program.
4. Exhibits that do not comply with the class description, size guidelines, copyright restrictions, safety and approved methods will be disqualified and not put on public display.
5. If the exhibitor chooses a display to illustrate what was learned:
   - Posters may not exceed 24” x 36” in size.
   - Chart boards, graph boards, project presentation boards, model displays, etc. may not exceed 48” x 48” in size. Maximum size is determined by measuring the flat (unfolded) dimensions.
   - Display boxes may not exceed 28” x 22” in height or width and 12” in depth.
6. Endangered or threatened plants and animals (includes insects), or songbird feathers and nests may NOT be used in any exhibit.
7. Copyrighted materials and designs may not be used in an exhibit that is presented as original work by the exhibitor. Exhibitors must include permission from the copyright holder/owner when using copyrighted materials. Exhibitors must give proper credit to the original source of all materials/designs used in exhibits. (See also special rules for Visual Arts and general copyright information for 4-H’ers.)
8. The 4-H’er’s goal and applicable exhibit standards will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, workmanship and techniques, and general appearance and design.

9. A written explanation, audio recording or video recording is to be included as part of each exhibit. The exhibitor should respond briefly to the following questions about the exhibit:
   - What did you plan to learn or do? (What was your exhibit goal(s)?)
   - What steps did you take to learn or do this?
   - What were the most important things you learned?

10. All judges’ decisions are final.

11. Each item in an exhibit must be securely labeled; including class number and exhibitor’s name, age, club and years enrolled in the project. These are not to be removed before 6:00 PM on Sunday.

12. Each 4-H and FFA exhibitor may exhibit an unlimited number of entries, unless otherwise specified. An article should be shown only one year in these classes except where repeat showings are called for by regulations.

13. Deserving exhibits in all classes will be rated as blue, red or white ribbon quality. Super blue ribbons will be given to exhibits entered by 4th graders that judge(s) feels are outstanding. State Fair exhibits will receive purple ribbons with the alternates receiving lavender. Judges will select an outstanding Junior, Intermediate, and Senior Home Economics exhibit. A plaque will be given by the Fair Board to recognize these individuals.

14. FFA exhibits may also be recognized. Exhibitors in 4-H classes are not eligible to exhibit in a similar department of the FFA divisions or vice-versa.

15. Exhibits previously entered in an FFA Ag. Science Fair or any other FFA event or competition may not be entered in any 4-H exhibit class.

16. Due to security, 4-H’ers are discouraged from bringing items that have special meaning and historical value as the exhibit or part of an exhibit. The Winnebago County Fair Board and Iowa State University Extension & Outreach will use diligence to ensure the safety of exhibits after their arrival and placement. However, they will not be responsible for damage or loss by fire, theft, etc.

17. 4-H’ers are permitted to bring exhibits to the 4-H Exhibit Building on Wednesday, from 6:30-8:30 PM, in addition to Judging Day, Thursday.

18. If a static exhibit is deemed too large and/or fragile, the exhibitor will be responsible for transporting the exhibit to State Fair, if necessary.

21. In the costume class, only the horse and participant may enter the arena.

22. Horse stalls are to be used for horses, not as separate tack rooms and lounges unless Okayed by the superintendent.

This must be completed immediately after the horses are released. Premium money will be withheld for those exhibitors not complying.

Horseless Horse Program

Horseless Horse participants must fill out a Horseless Horse ID form.

**Purpose:** To give 4-H youth, who would not otherwise own or have a horse, experience in the care and showing of a horse.

**Goal:** The Horseless Horse exhibitor will show the owner’s horse at the Winnebago County Fair in showmanship and walk/trot. These classes will be separate from the regular horse show, and the exhibitor will show for blue, red, and white ribbons, with no placing.

**Program:** The 4-H Horseless Horse exhibitor will attend all horse project meetings, workshops and clinics, and will work with a specific 4-H horse exhibitor in the care and training process. The 4-H horse exhibitor may not work with more than one Horseless Horse exhibitor. This program will be open to junior, intermediate, and senior members as described in the livestock portion of the Fair Book. The 4-H Horseless Horse exhibitor must abide by all the rules in the Fair Book.

**Stall Decorating**

Each Club is encouraged to decorate their stalls as a group—not as individuals. Decorating will be judged on Friday afternoon by an impartial panel. The top Club will be given an award sponsored by the Fair.
