National 4-H Agri-Science Summit

Youth in grades 9-12 can:

- Learn about agri-science careers
- Work on a state team
- Meet youth from across the county
- Discuss current issues in agriculture
- Work collaboratively on a community issue

This year the summit is in a virtual format and will take place from March 5th-7th. No travel is required.

The state 4-H office will support a team of youth led by Youth Extension Specialists, Maya Hayslett and Lynne Campbell. The team of Iowa youth will work together before, during, and after the summit on an action project related to what they learn at the summit.

To apply to be a part of the state-led team, please complete this form:
