The Wind Came Out to Play Today

The wind came out to play today
(stand up quickly from a crouched position)
It swept the clouds out of its way
(wave arms in the air)
It blew the leaves and away they flew
(flutter fingers)
The trees bent low and branches did too
(bend over, stretch arms)
The wind blew the big sailing ships at sea
(stand up, wave arms in the air)
That wind blew my kite away from me.
(look up and wave good-bye)
