Camera Corps: Be part of the team capturing the conference on film. Join us on the Conference Camera Corps.

Delegates: See 3 amazing keynote speakers, go to workshops on campus that you choose, and make a difference in the community through a service learning project.

Animal Science Round-Up: Hands-on experience learning about horses, sheep, swine, beef or dairy animals.

CSI: Crops: Use the latest technology and DNA lab analysis to solve a crime scene of crop pests and problems.

For Conference and registration details, visit: www.extension.iastate.edu/4h/iowa4hyouthconference

Contact your Iowa State University Extension and Outreach county office for additional registration information, including possible financial aid options, transportation and orientation.
