

Other Expense

(veterinarian, bedding, insurance, show supplies and fees, interest. etc.)

Date	Item or Expense	Cost

	Calf 1	Calf 2
Estimate calf/calves weight on entry day of county fair		
Estimate calf/calves price/cwt on entry day of county fair		
Estimate value from calf/calves		
Total expense of project (divide by number of calves in project)		
Estimated profit/loss on entry day of county fair		

What I learned about the care and management of calves.

Future plans for calf/calves.
