

**2018 Adair County Fair  
4-H and FFA Divisions  
Making the Best Better**

Reflect back on your experience at the county fair. In the first column jot down things you liked about the fair. It could be about something that went well or about someone that went above and beyond the call of duty to help you. In the second column jot down suggestions for next year, the more specific the better. Think about activities, rules, and scheduling as you make your suggestions.
