**A Big THANK YOU To Every 4-H & Adair County Extension Office Volunteer**

---

**4-H Alumni Speak Out**

**Carrie BreDahl**

**Education:** B.S. Middle School Education – Math and Science, Northwest Missouri State University, 2009; Orient-Macksburg, 2005.

**Career:** 8th Grade Math Teacher, Head High School Girls’ Track Coach; Atlantic, Iowa

**4-H Involvement:** I was a member of the Richland Royals 4-H club, joining first as a Discovery member in 3rd grade. I was most active in the photography, sheep, & communications project areas. As a member of Youth Council in high school, I was able to serve on several committees and hold various leadership positions. Additionally, as a senior in high school, I was selected as a delegate to National 4-H Congress in Atlanta, GA. After graduating, I still wanted to be involved in 4-H, so I took advantage of attending a judges’ training the first summer out of high school. Since then, I have judged photography at several county fairs in Southwest Iowa and have taken part in photography workshops. I also serve on the Adair County Sheep Committee and help with weigh-ins and shows at the fair.

**Volunteering As An Adult:** Volunteering is not limited to 4-H; there are numerous ways to be involved in serving other people! I enjoy serving in my church, within my school, and with local community programs.

**Life Skills Learned in 4-H:** 4-H has greatly helped me in my public speaking, networking, record-keeping, organization, timeliness, goal-setting, and of course, continually desiring to learn new things!

**Advice to 4-H’ers:** I remember I used to be pretty nervous about trying new things or meeting new people. Prior to my freshman year of high school I wasn’t sure about joining county council, but at “last minute” decided to give it a shot. I’m so glad I did! It gave me opportunity to meet new people I never would have met otherwise and allowed me to serve in new capacities. There are always going to be things that you are nervous about – whether it is speaking in front of people, standing in a room where you don’t know any other people, or having a project to do for school, work, or in your club that is outside your comfort zone. Yes, the first time might be hard; you might even make a few (or quite a few!) mistakes. But chances are that you will make it through, learn something, and maybe even want to do it again. You’ll be glad you tried!

Clover kids meet the 1st Saturday of each month through May. We are 41 members strong. We have made lots of crafts, read lots of stories, and learn how to prepare and eat many healthy snacks. We will finish out the year on May 4th but will also have a summer day camp on July 9th to get ready for the Adair County Fair. The Clover Kids Program will start up again in September. Registration will begin at the Adair County Fair. As always, if you have any questions please contact Christine at the Adair County Extension Office at 641-743-8412.

Friday, March 22nd, the Adair County Memorial Hospital shared their space with sixteen 5th-8th graders and AmeriCorps State of Promise members (Christine Rubio, Brad Baudler, and Jenny Stamper) for a Super Sitter Workshop. They had guest speakers Amy DeVault, RN, who talked about basic first aid and safety information. Later in the day Nina Utterback with ISU Extension & Outreach spoke about guidance and discipline. Nina also taught us how to “play” with little ones and provided free play-doh! Each attendee received a “SUPER SITTER KITS” to take with them on their babysitting adventures.

Those who attended were as follows: Quinn Eslinger (Afton); Makenna Lilly & Kyra Evans (Bridgewater); Tabby Crees (Casey); Sara Eddy, Molly Dabb, & Bryanna Howes (Fontanelle); Katlynn Long, Megan Russell, Kamryn O’Connor, Chelsea Sheeder, Julia Eshelman, and Aryll Shantz (Greenfield); Kaela Eslinger (Macksburg); and Selena Rubio & Riley Rasmussen (Orient).
**Micah House Donation Drive**

The 4-H Youth Council will be traveling to the MICAH House on Sunday, 4/7 to volunteer at this great outreach shelter in Council Bluffs. The youth will be helping the organization get ready for their main fundraiser auction. They will also be holding a fun party for all the kids!

The Youth Council hosted a **MIDDLE SCHOOL DANCE** on March 22 and it was a huge success! Over 150 students attended the dance and brought donations for the shelter facility.

The donation drive’s response was overwhelming. We received a large number of needed items for the shelter.

**A BIG THANK YOU TO ALL WHO WERE INVOLVED!!!**

**Private Pesticide Classes Offered**

Farmers wishing to maintain their private pesticide certification by attending continuing education classes have just one last opportunity to attend a training session in Adair County before the April 15th deadline. Two last chance classes will be offered. Applicators may attend training on Friday, April 12th from 8:30 – 10:30 a.m. or Monday, April 15 from 6:30-8:30 p.m. at the Adair County Extension office located at 154 Public Square in Greenfield. Anyone who needs to get their initial private pesticide certification or has let their certification lapse must take a written test. Study materials are available for check-out at Greenfield, Adair, Fontanelle, Stuart, and Orient libraries or you may purchase a manual at the Adair County Extension office for $15.

If you plan to attend this training please contact the Adair County Extension office at 641-743-8412 to reserve a spot.
