Use your ability and imagination to create a work of art. Entering the Cookie/Cupcake Decorating Challenge is a must if you like to decorate with frosting. Instead of making two exhibits for the 4-H and FFA Center try to make three or four. Invite all your friends and relatives to the Adair County Fair July 15th – 19th, 2015.

The last Youth Council Meeting was on May 3rd at the Warren Cultural Center, Green Room in Greenfield. Kelsie Kralik was their special guest who described all the Adair County Extension’s Youth Summer Camps in detail. Each Youth Council member will help with summer camps. It’s an excellent opportunity for mentoring a large number of youth in Adair County and provides them with better leadership skills. This year, Youth Council is helping to organize and run the “Fun With Friends Camp” which is based off of their initiative to create an anti-bullying pilot program to be used in youth camps, 4-H activities, training events and possibly in the four school districts of Adair County. Youth Council members have made several contacts through county entities and Washington DC which will be used as excellent resources and support for their upcoming efforts in creating this program. Youth Council is excited about the prospect of “Making A Difference” (this year’s YC slogan for projects) with youth all around them. They realize the importance of making changes and setting good examples to help prevent bullying through educating and activities which support others.

After the discussion of youth camps, the council members went over the busy plans for June and July. Committee chairs reported on their progress…

**Anti-bullying Committee**: members met before the YC meeting to discuss their ideas with the “Fun with Friends” youth camp. Committee members will meet with Kelsie to plan the specific details of the camp—activities, games, etc…

**Poverty Committee**: Hailey reported on details regarding “Meals for the Heartland” project. A date to package meals will be set at the next meeting.

**Healthy Living Committee**: Members are brainstorming ideas to create an ‘anti-tobacco’ message for youth at the county fair. The YC fair booth will have handouts to promote this concept. YC members will help out with “Super Chefs 1 & 2” youth camps to provide healthy activities. YC will be helping with the Relay Races at Good Eggs Day in Stuart on June 20th.

**Scholarship Committee**: Morgan volunteered to present the Kelly Laughery Scholarship awards to two individuals from WCV at Awards Night. Riley volunteered to present to three recipients for NV. Ideas were discussed about future fundraising events to raise money for the Kelly Laughery Scholarship Fund.

**Promote 4-H Committee**: Members met after the meeting to discuss some fun activities for county fair. They also talked about what all they wanted for their YC Fair Booth. Gifts were selected for Senior 4-H Recognition Night. And details for “Pie in the Face” event were worked out.

The next Youth Council Meeting is scheduled for June 7th at the Warren Cultural Center, Green Room at 3:30pm. After the meeting YC will head to the Tiger Drive In for ice cream.

If you have any questions regarding Adair County Youth Council, please contact Deena Wells, Youth Council Advisor at 641-743-8412 or email dwells@iastate.edu.
