4/H Alumni Speak Out
Jeannette Jorgensen

EDUCATION: 1986 Graduate from Bridgewater-Fontanelle high school. Associate Degree in Marketing and Merchandising with emphasis in Fashion Merchandising from DMACC.

CAREER: I have been employed with the US Census Bureau for 8 years. I interview households in person and on the phone to gather current information that is used to determine the unemployment rate, crime rate, and many other economic factors.

4/H INVOLVEMENT: I was a member of the Summerset Citizens. I exhibited projects in food and nutrition, sewing, clothing and home improvement. I became a parent volunteer for the Summit Super Stars 4-H club in 2000 when my oldest son, Kyle, joined. In 2004, I became an assistant leader and in 2012 became the leader. I have also been on the Clothing Event planning committee for the last 2 years.

COMMUNITY VOLUNTEER: Room mom at school for all 3 of my kids from 1996-2011. Served on the Adair County Empowerment Board for 2 years. Member and volunteer at Good Shepherd Lutheran Church in Adair.

ADVICE TO 4-H'ers: Try new things, you never know what you might enjoy. Don't be afraid to not be the best. The lessons I learned the most from were from my failures, not my successes. Take advantage of the wonderful opportunities that are out there. Go to a camp, go on a trip, talk to someone you don't know. You will find the friendships you make during these times will be ones you will carry with you. Also talk to the adults you are around. You have something to give and they want to see it. You will be surprised how much impact those connections can make.

AG NEWS

FSQA (Food Safety Quality Assurance)
Training will be held at the Extension office Monday, March 17th and Thursday, March 20th, 6 – 7:30 pm both evenings. All youth exhibiting swine at the 2014 Adair County Fair must be FSQA certified. All youth exhibiting beef, sheep, swine, dairy, poultry, rabbit or goat at the 2014 Iowa State Fair or AK-SAR-BEN must be FSQA certified. Pick the session that works best and put it on your calendar.

Breeding Heifer Tattoos
Breeding Beef must be identified with a tattoo. If you already have your heifer, now is the time to tattoo her. The International year/letter designation for animals born in 2013 is A. If you start the tattoo sequence with A, you will always know the year of birth.

Swine Tagging Scheduling and Process
PED virus is a health concern for the pork industry. Basic Biosecurity is always important, but is extremely important now as we approach swine tagging and swine exhibition at our county fair. PEDv is caused by a virus (Coronavirus) that only affects pigs (NOT humans or other livestock). This is a new virus to the U.S. and was first confirmed in our country on May 17, 2013. Please go to the following website www.pork.org/Research/4316/PEDVResources.aspx for information from the National Pork Board on Porcine Epidemic Diarrhea virus (PEDV).

Swine tagging for Adair County fair exhibitors is scheduled for Saturday, April 12th, 7 am – 1 pm at the fairgrounds in Greenfield. Each swine exhibitor (family) must contact the Extension office at 641-743-8412 for an appointment during that time. National Pork Board is recommending swine tagging and weighing be done at a centralized location rather than a staff member/volunteer going to each farm. No pigs will be weighed, but you may choose up to 6 of the pigs you tag to be entered in the Lean Value Carcass Contest ($3/pig). Each exhibitor (family) will receive a letter with tagging details by April 1st.

Iowa State Fair Little Hands on the Farm Program
A minimum of 30 volunteers are needed for each four-hour shift of this state fair ag activity. Volunteers receive one admission ticket, one vehicle permit, and t-shirt. If this is something you would like to do as a family or with club members, contact Emily Brewer at 515-282-3111 ext 244 or email ebrewer@iowastatefair.org. Shifts are filling quickly. If interested, call or email immediately.

County Fair Poultry Classes
We will use the same class guidelines as last year. Market Broiler Pen of 3 exhibitors limited to 2 pens of 3 broilers each. Chicks must be ordered from Oak Hill Hatchery (641-524-5396) no later than May 1st, with pick-up on June 3rd. Chicks will cost $1.21 each. A pullet class (birds approximately 12 weeks – 6 months old) will be added to Egg Production.

Kathy’s Remarks...

Free will donations will be used to purchase ethanol, beef & pork certificates for local food pantries. Ag Day is sponsored by Adair County Cattlemen, Corn & Soybean Association, Extension, Fair Board, Farm Bureau, Pork Producers and Greenfield Chamber/Main Street. Educational session on “Smart Choices”—covering Insurance and the Affordable Care Act will be provided by ISU Finance Specialist.

MAKING THE RIGHT CROP INSURANCE CHOICES FOR 2014

by Steve Johnson, ISUE&O Farm Management Specialist

Buying crop insurance and making coverage decisions will be one of the most important risk management decisions farmers will make this winter.

The 2012 drought and 2013 drop in corn prices emphasize the need to manage revenue risk. Crop revenue coverage to insure against both yield losses and price declines the past two years has kept most farm operations financially viable. With lower corn and soybean projected prices forecast for 2014, crop insurance’s ability to protect against loss of revenue will be critical.

With lower crop insurance revenue guarantees, many farmers may need more revenue coverage. For example, at the 75 percent coverage level, 2014 ratings for premiums are projected to be between 2 and 5 percent lower than those in 2013.

Having a crop revenue insurance protection policy, along with using a well-prepared and properly executed grain marketing plan, will allow farmers to protect the majority of their revenue.

Visit our website www.extension.iastate.edu/adair/ for the complete article concerning crop insurance and the following topics...

- Revenue guarantees lower
- Trend-adjusted (TA) option
- Enterprise vs. optional units
- Adding supplemental coverage
**Fashion Trip**

A Fashion Trip is set for Friday, March 21. Middle School students (6th—8th graders) attending this trip will learn how to make their own accessories at ‘Maple Street Memories’ in Creston, along with visiting ‘Maurice’s’. On their way back to Greenfield, they’ll stop at ‘Country Consignments’. This adventure is a great way to start the planning process for creating a county fair Clothing entry. Thanks to the generous support of an anonymous donor, this fun-filled day will only cost $5. Space is limited to the first 12 registrants so sign up now! For questions about this event, contact the Extension Office at 641-743-8412 or e-mail kcass@iastate.edu

**GREENFIELD WILL HOST THE ONLY NATIONAL DAY OF UNPLUGGING EVENT IN IOWA**

The National Day of Unplugging is from sundown March 7 to sundown March 8. National Day of Unplugging (NDU) encourages individuals to unplug from their digital devices i.e. computers, internet, cell phones, games boxes and connect with others. “We increasingly miss out on the important moments of our lives as we pass the hours with our noses buried in our smart phones and tablets chronicling our every move through social media and shielding ourselves from the outside world with the bubble of “silence” that our earphones create.” Says Dina Mann, National Day of Unplugging, National Marketing and Outreach Coordinator “If you recognize that in yourself – or your friends, families or colleagues— join us for the National Day of Unplugging and carve out one day to unwind, unplug, relax, reflect, get outdoors, and connect with others.”

Greenfield Chamber/Main Street, a non-profit community development organization, in Greenfield, Iowa, received a grant from Travel Iowa to host an event on the National Day of Unplugging. Chamber/Main Street then applied to Reboot, NDU Founder, to host an official designated event and claimed the only nationally promoted event in the state – IOWA Unplugged. Greenfield stands next to Chicago as the only two approved events in the Midwest!

Activities during IOWA Unplugged in Greenfield encourage you to relax, unwind and have fun. The event kick-off is Friday, March 7th at 4:50 pm on the town square followed by carnival games from 5-7 pm and Lee Cole’s Magicomedy at 7 pm at the Cultural Center. Tickets to the magic show are $10 for adults and $1 per child. The Corner will host an Open Mic Night at 7 pm with featured artists including Livy Green, Stefan Queck, Kennedy Plowman, and Anthony Weber. Among all this you can take part in Yoga, Centering Prayer (meditation), wine sampling at Hotel Greenfield, exercise or play at the Health & Fitness Center or watch a movie at Grand Theatre.

FAMILY PROGRAMS:
Monday, April 14 – Rumble Tumble Night for families with young children – Adair Co Health & Fitness Center, being organized by SWICC Parents-as-Teachers program

Continued from page 5...

Saturday offers a variety of games: a bags tournament, cribbage, pinochle, and 10 point pitch at Hotel Greenfield; Strategic board games like Risk & Monopoly at Cornerstone; carnival games and miniature golf. A variety of pampering and relaxation sessions and techniques will be offered throughout the day. The local Health and Fitness Center will host a racquetball tournament and have extended hours. You can enjoy the outdoors - play a round of golf at the Greenfield Country Club (weather permitting) and walk the trails or play on the 36-hole disc golf course at Lake Greenfield. Various artistic and Do-it-yourself workshops are being planned. A highlight of the day will be readings by Mike Pace of his newly released book “Dreams & Detours – reflecting on the Souvenirs of a Lifetime” followed by a book signing. Throw in a little dining, shopping, site seeing, museum tours, an appointment to pamper yourself at a local salon, play some games at Greenfield Bowl and you’ll have plenty to do for the weekend in Greenfield.

The event culminates Saturday night with a live performance by Jason Reed in an acoustic duo at 7:00 PM at the Warren Cultural Center. Reed has toured all over the Midwest and to Italy and back again. His raw tone offers originals and classic Country/Rock music and he’s known to mix it up too. The duo will play three 45 minute sets. Tickets are $10 per person; concessions and a cash bar will be available.

The event is family friendly but offers enough variety that single adults and empty nesters will have plenty of opportunity to relax, unwind and have fun too! Perhaps the most enticing part of the event is the price tag. Ticketed activities are truly at a nominal fee and many things are free to participate including free shuttle service by All About the Fun Party Buses that will be making loops around town to get you from one attraction or activity to another.

So…can you do it? Can you pledge to unplug from your overly connected world on digital devices? We encourage 4-H Clubs to participate in this wonderful event. The Extension office is also in need of volunteers to help fill shifts with various events/games. Please contact Angie or Donna (641-743-8412) if you are able to assist with activities.
