If you are a high school student in Adair County and looking for an organization which is based off of the 4-H principles, while providing guidance on becoming a better leader, communicator and citizen, then this youth organization is designed for YOU!

Enrollment Applications can be found at the Adair County ISU Extension Office, 154 Public Square in Greenfield or online at http://www.extension.iastate.edu/adair/ (scroll down to ‘Youth Council’). The organization conducts monthly meetings on Sunday afternoons where youth plan, organize, and follow through with ways they can make a difference by doing mission work, community service, mentoring to youth, and working on improving their leadership skills. They fellowship with youth from different school districts in Adair County and learn to work well as a team. For more information about this wonderful youth group, contact Danielle Morgan, Adair County ISU Extension—Youth Council Advisor at 641-743-8412 or sdmorgan@iastate.edu. Completed enrollment forms must be signed and turned in to the Extension office by September 14, 2018.
