2015 Senior 4-H Recognition Form

The Adair County 4-H Youth Council would like to recognize all graduating seniors at the 2015 Adair County Fair. A special senior display will be created featuring each senior and their activities. In addition, special recognition will be given Wednesday evening, July 15, during county fair opening ceremonies beginning at 8:00 p.m. at the gazebo. Each senior will be introduced and presented with a special gift. In order to accomplish both of these activities we ask each senior to complete this form, attach a senior picture and return it to the Extension office by May 15. Please limit your response to two pages.
