Youth Mental Health First Aid
Youth Mental Health First Aid is for all those who work with youth and want to learn more about helping youth with their mental health. YMHFA teaches you how to identify, understand, and respond to signs of mental illness and substance use disorders in youth. This training gives adults who work with youth the skills they need to reach out and provide initial support to children and adolescents who may be developing a mental health or substance use problem and help connect them to the appropriate care. This training will be offered on Wed., Mar. 16 from 8 a.m.—5 p.m. in Malvern through Iowa State University Extension and Outreach. You can register at https://go.iastate.edu/GM6TOK (use code AGPRO to attend FREE.) Contact Kimberly Cavalier for more information: (712) 542-5171, wellauer@iastate.edu
