he Iowa Farm & Ranch Chapter #2
REALTORS® Land Institute, www.
rlifarmandranch.com/, has released
the results for the September 2017 Iowa Land
Trends and Values Survey. The REALTORS® Land
Institute is an affiliate of the National Association
of REALTORS® and is organized for realtors who
engage in land specialties such as agribusiness,

appraisal, consulting, land auctions, and land management. All participants in the survey deal almost exclusively in farmland.

Participants were asked to estimate average values of farmland as of September 2017. The estimates are for bare, unimproved land with the sale price on a cash basis. Pasture and timber land values were also requested as supplemental information.
