Goal: Grow the tallest corn stalk by fair time (with supplied seeds)!

Who: Allamakee County 4-H members (K-12)

When: Please return below form to the Allamakee County Extension Office by March 25 and \$2 registration fee. We will then mail you your three seeds the week of April 1. If you would prefer to pick them up, please mark on registration form.

Where: Bring your Bucket-of-TALL-Corn to the 4-H Building, Allamakee County Fair Grounds

When: Planting date determined by contestant

Please have your stalk to the 4-H Building on Tuesday, July 16 from 10:00 AM-12:00 PM

Champion will be announced at the Youth Showcase on Tuesday, July 16 starting at 7:00 PM

Rules: There are zero rules! Plant seeds a 5 gallon bucket and put your bucket anywhere you wish to grow it. Feel free to decorate your bucket. Make sure the selected spot is sunny and wind-protected — an area where the giant Jack-in-the-corn-stalk will not interfere with overhead power lines or hinder TV signals! You can even inject the corn with base-ball-like steroids if you think it will help.

About the Seed: 2019 NEW SEED VARIETIES! This year's seeds were donated by Seed Savers, Decorah. This year there are three NEW varieties of seeds: Bloody Butcher, Johnson County White, & Hop McConnell Speckled.

Please complete and return to Allamakee County Extension Office by **March 25** with **\$2.00 registration fee**.
