GUIDELINES FOR CONFERENCE JUDGING DAY

- Please read carefully prior to Conference Judging Day.
- All the judging will take place in the Pavilion.
- Please come to the fair with all entry tags and/or entry labels filled out and attached to the proper exhibit.
- Complete a Conference Judging Entry Form to be used by the judges and handed in at the Ribbon Table.
- Please read the rules in the fairbook prior to conference judging.
- If you have questions about the procedure once you arrive, please ask for assistance. The 4-H County Council, Youth Development Committee and staff will be on hand to assist members.

Step 1

- Go to the Pavilion, enter in the north door and stop at the ENTRY TABLE located to your left as you enter the building.
- Volunteers will check you in by club and name. Have your Conference Judging Entry Form available, for the volunteers will need this for entry.
- **Note: All Clover Kids members will be judged conference style by a Clover Judge.**

Step 2

Locate the judges stations you need to visit.

- A. Find an empty seat. You will be judged in order of arrival (1st come-1st serve).
- B. As you are judged, the judges will write comments on the evaluation form.

Step 3

When you have completed judging - you **MUST** stop at the **COMPLETION TABLE**. At this time, your ribbon will be attached to the project and the Conference Judging Entry Form will be turned in. **(This is our only record of your fair exhibit, and we will use this form later to award premiums, so this stop is extremely important)**. You may then take your projects to the 4-H Exhibit Building. If you have an exhibit that is held back to be considered for State Fair it will stay in the Pavilion.

Step 4

Please place your exhibits in your club's assigned 4-H booth.

REMEMBER - If you have a question about fair classes or the judging procedure, please ask a Youth Development Committee or 4-H County Council member. The office staff will also be on hand to assist with any individual needs.
