LEADERS

"4-H to me is a learning experience. Learning what there is to expect in life and how to communicate with others is important for me to know as I get older. I also love meeting new people and all the opportunities that 4-H gives me. I believe that our youth should join 4-H and be involved because it provides youth with skills that will benefit them in the future, and plus it's just fun! Each year, as fair week passes; as well as throughout the year, a new memory is made!"

-Faith Palmer, Allamakee County 4-H Member
