Swine

Beginner

Name: _____

Write the challenge codes for each lesson in the form below. Double check your work. When the form is completed, go online to enter the codes exactly as they appeared at the end of the challenges!

When writing challenge codes, pay careful attention to:

- The number zero and the letter O
- The letter S and the number 5
- The number one and the capital letter i
- The letter Z and the number 2

* We recommend capturing a screenshot of each code or taking a picture on your phone in addition to writing it down on the Challenge Code Tracker.

Introduction/Terminology

1: Terminology

2: Breeds

3: Swine Production Cycle

Animal Welfare

1: Well-Being

2: Ethical Behavior

Daily Care

1: Daily Requirements

2: Ear Notching

3: Manure Management

4: Stress

Animal Health

1: Health Management

2: The Healthy Pig

3: Types of Medication

4: Administering Medication

5: Diseases

6: Parasites

7: Baby Pig Care

Animal Behavior

1: The Normal Pig

Anatomy and Physiology

1: External Anatomy

Reproduction

1: Anatomy & Terminology

2: Reproductive Cycle

3: Housing Systems

4: Heat Detection & AI

5: Farrowing

Nutrition

1: Digestive System

2: Essential Nutrients

3: Feeds

Genetics

1: Pedigree

2: Environment & Genetics

Meat Science

1: Terminology

2: Wholesale Cuts

3: Carcass Muscling & Leanness

4: Pork Quality

Biosecurity

1: Biosecurity

2: Premises ID

Industry

1: Environment

Economics

1: Terminology

2: Record Keeping

ALL SPECIES:

Food Safety & Microbiology

1: HACCP

2: Agencies

3: Microbiology
