TO REGISTER: Call the county office* where you plan to attend. Pre-registration is required. No walk-ins allowed. Register by December 30, 2021. For those unable to view the video training or test at an Iowa DNR field office, the course is available online at elearning-dnr.iowa.gov.

Iowa Commercial Manure Applicator Certification Workshops – February 2022

Iowa State University Extension and Outreach, in cooperation with the Iowa Department of Natural Resources (DNR), will offer manure applicator certification workshops for dry/solid manure operators on six different dates and locations in February 2022. These workshops meet manure applicator certification requirements for both confinement site manure applicators and commercial manure applicators who primarily apply/haul dry or solid manure. Businesses primarily hauling or applying dry/solid manure are encouraged to attend the dry/solid manure workshops.

REGISTRATION: Pre-registration is required. No walk-ins allowed. Please contact your local extension office to register for the course. The workshops are free and open to all. Applicators will be required to submit certification forms and fees to the Iowa DNR to meet manure applicator certification requirements. If you can’t attend the workshops, contact your county office and request to see the Dry Manure Applicator video.

Pre-registration is required. No walk-ins allowed. Please contact your local extension office to register for the course.
