ISU Extension and Outreach Black Hawk County and _____4-H Club/Clover Kids Club Partnership Agreement

This partnership agreement is made and entered into by and between ISU Extension and Outreach Black Hawk County, hereinafter referred as EXTENSION and the _____4-H Club, hereinafter referred to as CLUB.

Note: *This is a living document that may need updates/revisions over time.*

From Fiscal Policy and Procedures of each Extension District

2.1 Public Funds

Public Funds, as defined in Iowa Code Chapter 12C.1, are those funds owned by a public entity such as a county extension district. This includes both tax and non-tax monies. All monies generated by users of the district entity are owned by the district, not the user, and are under the control of the local extension council.

All public funds are the legal responsibility of the extension council. Legal responsibility assigned by law cannot be transferred by extension council action.

All public funds have the same legal requirements for accounting, reporting, auditing, proper signatures, segregation of duties, publishing, bonding, investing and uniform financial accounting procedures.

EXTENSION recognizes and encourages the CLUB to seek funding to support CLUB activities. Fundraising events/activities teach youth the value of teamwork, budgeting and fund management. These funds are raised using the 4-H name and emblem and therefore are subject to EXTENSION district fiscal policy.

EXTENSION will:

- When requested, provide a W9 to any business from which CLUB purchases goods/services to extend the tax-exempt status for sales tax when purchasing goods/services for CLUB.

- Accept photos/scans of receipts sent by electronic means such as email.
- Not allow a CLUB balance to be negative.
- In the event a CLUB is not current with the monthly submission of meeting minutes, EXTENSION may pause processing CLUB financial requests until the minutes are submitted.
